Justification for Non-substantive Change Request

**Evaluation of the Effectiveness of an Educational Interactive Video on Research Integrity
(0990-0399)**

The following updates have been made to the Evaluation of the Effectiveness of an Educational Interactive Video on Research Integrity (0990-0399).

1. The EVRI instrument has been updated and included under Part 2.
2. A revised Part B has been included.

The results of these changes stem from a 7/31/2012 meeting between OMB and OASH.

There will be no changes to the burden hours or respondents.
