

## B. Financial Reports

Federal Financial Report FFR (SF-425), Cash Transaction Reports are due 30 days after the close of every calendar quarter to the Division of Payment Management, HHS at: <http://www.dpm.psc.gov>. It is recommended that you also send a copy of your FFR (SF-425) report to your Grants Management Specialist. Failure to submit timely reports may cause a disruption in timely payments to your organization.

Grantees are responsible and accountable for accurate information being reported on all required reports: the Progress Reports and Federal Financial Report.

## C. Federal Subaward Reporting System (FSRS)

This award may be subject to the "Transparency Act" subaward and executive compensation reporting requirements of 2 CFR Part 170.

The Federal Funding Accountability and Transparency Act of 2006, as amended ("Transparency Act"), requires the Office of Management and Budget (OMB) to establish a single searchable database, accessible to the public, with information on financial assistance awards made by Federal agencies. The "Transparency Act" also includes a requirement for recipients of Federal grants to report information about first-tier subawards and executive compensation under Federal assistance awards.

Effective October 1, 2010, HIS implemented a Term of Award into all IHS Standard Terms and Conditions, NoAs and funding announcements regarding this requirement. This IHS Term of Award is applicable to all IHS grant and cooperative agreements issued on or after October 1, 2010, with a \$25,000 subaward obligation dollar threshold met for any specific reporting period. Additionally, all new (discretionary) IHS awards (where the project period is made up of more than one budget period) and where: (1) The project period start date was October 1, 2010 or after and (2) the primary awardee will have a \$25,000 subaward obligation dollar threshold during any specific reporting period will be required to address the FSRS reporting requirements. For the full IHS award term implementing this requirement and additional award applicability information, visit the Grants Management Grants Policy Web site at: [http://www.ihs.gov/NonMedicalPrograms/gogp/index.cfm?module=gogp\\_policy\\_topics](http://www.ihs.gov/NonMedicalPrograms/gogp/index.cfm?module=gogp_policy_topics).

Telecommunication for the hearing impaired is available at: TTY (301) 443-6394.

## VIII. Other Information

The Public Health Service strongly encourages all cooperative agreement and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the HHS mission to protect and advance the physical and mental health of the American people.

**DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT**

[Docket No. FR-5613-N-07]

**Privacy Act of 1974; Proposed New Routine Use—HUD’s Routine Use Inventory**

**AGENCY:** Office of the Chief Information Officer, HUD.

**ACTION:** Proposal for new routine uses.

**SUMMARY:** Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), and Office of Management and Budget (OMB), Circular No. A-130, notice is hereby given that the Department of Housing and Urban Development, Office of the Chief Information Officer, is establishing 24 “blanket” routine uses to be applicable to more than one HUD system of records. The Department published on September 14, 2007 at 72 FR 52572 a notice to establish 1 blanket routine use proposal applicable to all its systems of records. This proposal provides an update to that proposal and is one of the steps required to establish a list of comprehensive and case specific routine uses for current and

future system of records publications. Further, publishing this system notice will permit the Department to save cost, accomplish its mission, managerial, and other responsibilities more efficiently and effectively.

**DATES:** *Effective date:* This proposal shall be effective without further notice on August 16, 2012, unless comments are received on or before that date that would result in a contrary determination.

*Comments Due Date:* August 16, 2012.

**ADDRESSES:** Interested persons are invited to submit comments regarding this new routine use to the Rules Docket Clerk, Office of General Counsel, Department of Housing and Urban Development, 451 Seventh Street SW., Room 10276, Washington, DC 20410-0500. Communications should refer to the above docket number and title. Fax comments are not acceptable. A copy of each communication submitted will be available for public inspection and copying between 8:00 a.m. and 5:00 p.m. weekdays at the above address.

**FOR FURTHER INFORMATION CONTACT:** The Chief Privacy Officer, telephone number (202) 402-8073. (This is not a toll free number.)

**SUPPLEMENTARY INFORMATION:** The following routine uses describe those types of disclosures which are common to more than one HUD Privacy Act system of records at which HUD is establishing as “blanket” routine uses. Unless this or other published notice expressly provides otherwise, these blanket routine uses shall apply, without need of further implementation, to every HUD Privacy Act system of records. These blanket routine uses supplement but do not replace any routine uses that are separately published in the notices of individual record systems to which the blanket routine uses apply. HUD proposes blanket routine uses that will: (1) Permit the Department to accomplish its mission, managerial, and other responsibilities more efficiently and effectively; (2) minimize through use of standardized wording the potential for misunderstanding or misinterpretation which might arise from unintended

variations in different versions of common routine uses; and (3) reduce cost and duplication of effort in the publication and maintenance of HUD’s Privacy Act issuances; (4) revise and update Privacy Act record locations for its systems of records; and (5) present the information to the public and HUD Departmental offices in a structure that is easier to understand and use.

Pursuant to conditions of the Privacy Act, the routine uses are consistent with the collection of information pertaining to making such disclosures to individuals pursuant to requirements of the Privacy Act records, when, in doing so, it will help protect the interest of individuals, and improve the Department’s ability to take the appropriate steps necessary to accomplish its mission and business requirements more efficiently and effectively.

Title 5 U.S.C. 552a(e)(r) and (11) requires that the public be afforded a 30 day period in which to comment on any new or amended use of information in a system of records, and require published notice of the existence and characters of the systems of records proposing the change. The new system report, as required by 5 U.S.C. 552a(r) of the Privacy Act was submitted to the Committee on Homeland Security and Governmental Affairs of the United States Senate, the Committee on Government Reform and Oversight of the House of Representatives, and the Office of Management and Budget (OMB) pursuant to paragraph 4c of Appendix I to OMB Circular No. A-130, Federal Agency Responsibilities for Maintaining Records about Individuals, dated June 25, 1993 (58 FR 36075, July 2, 1993). HUD deems the disclosure(s) made to such agencies, entities, and persons from the following systems or records when authorized by statute to assist in connection with its mission. The existence and characters of HUD’s completed Privacy Act systems of records can be viewed on the agency’s Web site at: <http://www.hud.gov/offices/cio/privacy/pia/fednotice.cfm> and currently consist of the following:
