FY_____ PROGRAMMATIC MONITORING:
The Role of Local Communities in Development of Stewardship Contracting Agreements or Contract Plans

Participants: When Congress authorized the Forest Service (FS) and the Bureau of Land Management (BLM) to use stewardship contracting, it also required that the agencies provide an annual report on the role of local communities in the development of agreements or contract plans under that authority. In the preparation of this report, a stratified random sample among existing stewardship contracting projects is surveyed each year, and the _____ stewardship contracting project you are involved in was one of those selected for review. We anticipate that your involvement in this telephone survey/interview will take no longer than 30-minutes.

A sample survey form has been included with this e-mail, so that you may have the opportunity to review the questions prior to the telephone survey/interview. Plans are to conduct the telephone surveys/interviews from *[insert Month xx, year xxxx through Month xx, year xxxx]*.

The Pinchot Institute for Conservation is coordinating this study under contract with the Forest Service and the Bureau of Land Management. Your name will not be associated with the interviewer's notes from the phone survey and the names of those interviewed will not be retained. The information collected in this interview will be analyzed and used by both the Forest Service and Bureau of Land Management to inform the agencies' yearly report to Congress on stewardship contracting implementation. The survey responses will not be shared with other organizations inside and outside the government but the results of the analysis of the survey responses, through its inclusion in the Forest Service's and Bureau of Land Management's reports to Congress, will be available for use by organizations both inside and outside the government.

Participating in the interview is completely voluntary. Your participation assumes your understanding and acceptance of this voluntary agreement. Your decision to participate or not will not affect your current or future relations with the Forest Service, Bureau of Land Management, the Pinchot Institute for Conservation or ____(*insert local/regional subcontractor name here*).
