SampMemb. Mathematica recently sent you a letter asking you to take part in a brief health survey about your experiences with your new baby. This survey is a follow-up to a survey you completed 9 months ago about your experiences during your pregnancy. The survey will take about 15 to 20 minutes. To thank you for taking part, we will send you a gift card for $20. Is this a good time for the interview?

PROBE IF NEEDED: I'm calling from Mathematica Policy Research in Princeton, NJ. Mathematica is conducting this health survey for the U.S. Department of Health and Human Services.

Your participation is completely voluntary, but very important. All your answers will be held in complete privacy. Let's begin.
