2012 – 2013 SURVEY of HEALTH CARE PROVIDERS

Public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road, MS D-74, Atlanta, GA 30333, ATTN: PRA (0920-xxxx).

Be assured that your responses will be maintained in a secure manner. This survey has been approved by the Centers for Disease Control and Prevention as non-research public health practice.

Please return this survey as soon as possible. Use the enclosed postage paid envelope. You may also complete the survey online (*see instructions below*).

To determine if you are eligible to participate in this survey, please answer the following question:

Do you provide family planning services* to at least two women of reproductive age per week?

- Yes *If you answered yes, please continue and complete the survey.*
- No *If you answered no, you may stop here. Please return the survey in the envelope provided so we can remove you from our list. Thank you for your time.*

* For the purpose of this survey, a **family planning service** is any service related to postponing or preventing pregnancy. Family planning services may include a medical examination related to provision of a method, contraceptive counseling, method prescription or supply visits. *A patient may receive a family planning service even if the primary purpose of the visit is not for contraception.*
