Part 2. NQF 0209 Pain Measure

Measure Title: Comfortable Dying: Pain Brought to a Comfortable Level Within 48 hours of Initial Assessment

Brief Description of measure: number of patients who report being uncomfortable because of pain at the initial assessment (after admission to hospice services) who report pain was brought to a comfortable level within 48 hours.

Enter the following numbers in the spaces provided:

- 1. Enter the number of admissions during the data collection period (October 1, 2012 through December 31, 2012)
- 2. Pain Measure Denominator: Enter the number of patients who answered YES to the question "are you uncomfortable because of pain" at the initial assessment (after admission to hospice services) during the data collection period (October 1, 2012 through December 31, 2012)
- Enter the number of patients who answered NO to the question "are you uncomfortable because of pain" at the initial assessment (after admission to hospice services) during the data collection period (October 1, 2012 through December 31, 2012)
- 4. Enter the number of patients excluded)
- 5. Pain Measure Numerator: Enter the number of patients who answered YES to the question " was your pain brought to a comfortable level within 48 hours of the start of hospice care?" during the data collection period (October 1, 2012 through December 31, 2012)

- 6. Enter the number of patients who answered NO to the question " was your pain brought to a comfortable level within 48 hours of the start of hospice care?" during the data collection period (October 1, 2012 through December 31, 2012)
- 7. Enter the number of patients unable to self report at follow up.

"I certify that I have been duly authorized to submit this data, and I certify that the data submitted is true, accurate, and complete. I understand that the knowing, reckless, or willful omission, misrepresentation, or falsification of any information contained in this submission or any communication supplying information to Medicare may be punished by criminal, civil, or administrative penalties, including fines and imprisonment."
