

1) As part of your role at your Regional Extension Center (REC), do you work with Eligible Professionals to help them reach the Meaningful Use objectives for electronic health records (or supervise REC staff who do)?

- Yes **(GO TO QUESTION 2)**
- No **(SKIP TO THANK YOU #1)**

2) The Health Information Technology Research Center (HITRC) portal and the National Learning Consortium on the HealthIT.gov web site offer tools to assist you in helping Eligible Professionals satisfy the Meaningful Use requirements. Have you looked at any of those tools?

- Yes **(SKIP TO QUESTION 4)**
- No **(GO TO QUESTION 3)**

3) Which of the following are reasons why you have not looked at the tools available online? (check all that apply)

- I was not aware there were tools available online
- I have no need for the tools
- No Eligible Professionals have asked for any tools
- Eligible Professionals are unlikely to spend enough time with any tool
- The time that I have available to help Eligible Professionals is too limited
- I have not had time to examine the tools available online
- The tools are difficult to find and download
- Other – please specify

**(SKIP TO THANK YOU #2)**

4) Have you ever offered any of the tools available online to any Eligible Professionals?

- Yes **(SKIP TO QUESTION 6)**
- No **(GO TO QUESTION 5)**

5) Which of the following are reasons why you have not offered any of the tools available online to any Eligible Professionals? (check all that apply)

- I can best help Eligible Professionals without the tools available online
- No Eligible Professionals have asked for any tools
- Eligible Professionals are unlikely to spend enough time with any tool
- In my experience, tools such as these are rarely helpful
- The time that I have available to help Eligible Professionals is too limited
- I intend to offer the tools available online to Eligible Professionals later
- I am still considering whether to offer these tools
- Other – please specify

**(GO TO QUESTION 6)**

6) Have you ever looked at the Care Transition Summary Toolkit for helping Eligible Professionals with using EHRs to create patient summaries for transitions of care? [Open the PDF document for the tool at this HITRC Web page](#)

- Yes **(IF Q4=YES THEN GO TO QUESTION 7;  
IF Q4=NO THEN SKIP TO QUESTION 13)**

- No **(SKIP TO THANK YOU #2)**

7) Have you ever offered the Care Transition Summary Toolkit to any Eligible Professionals?

- Yes **(SKIP TO QUESTION 9)**

No **(GO TO QUESTION 8)**

8) Which of the following are reasons why you have not offered the Care Transition Summary Toolkit to any Eligible Professionals? (check all that apply)

- No Eligible Professionals asked for any help to reach Meaningful Use for Transitions of Care Summaries
- This tool would not help Eligible Professionals reach the Meaningful Use criteria for Transitions of Care Summaries
- Other please specify

**(SKIP TO QUESTION 9)**

9) Have you used the Care Transition Summary Toolkit in any of these ways? (check all that apply)

- I have shared the Care Transition Summary Toolkit with a colleague
- I have discussed the Care Transition Summary Toolkit with a Community of Practice or other group
- Other, please specify

**(IF Q7=YES THEN GO TO QUESTION 10)**  
**(IF Q7=NO THEN SKIP TO QUESTION 13)**

10) When you offered the Care Transition Summary Toolkit to Eligible Professionals, did any Eligible Professionals ever try to use the tool?

- Yes **(SKIP TO QUESTION 12)**
- No **(GO TO QUESTION 11)**

11) Why did the Eligible Professionals not try to use the Care Transition Summary Toolkit? (check all that apply)

- Eligible Professionals did not like the toolkit when they saw it
- Eligible Professionals preferred to reach the Meaningful Use requirements for Transitions of Care Summaries without any tool
- The Eligible Professionals decided not to try to reach the Meaningful Use requirements for Transitions of Care Summaries
- Eligible Professionals prefer that REC personnel use the tools for them

Other please specify

**(SKIP TO QUESTION 13)**

12) When you offered the Care Transition Summary Toolkit to Eligible Professionals, did the Eligible Professionals usually go on to meet the Meaningful Use care coordination objectives?

- Yes
- No
- I don't know

**(GO TO QUESTION 13)**

13) Please share what you think of the Care Transition Summary Toolkit by answering the remaining questions. [Open the PDF document for the tool at this HITRC Web page](#)
