Introduction. The Provider shall provide all information and documents required by the EOUST or the United States Trustee responsible for each judicial district in which the Provider seeks approval. Unless otherwise stated, the application and appendices shall be type-written, using the space provided on the form, as well as all attachments if necessary.

Deadline for Submission of Application for Re-Approval. Unless terminated earlier, a Provider’s approval to provide a personal financial management instructional course terminates at the conclusion of either the initial six-month probationary period, if the Provider was not approved previously, or the annual approval period. To ensure the timely review and re-approval of providers, applications for re-approval must be submitted to the EOUST no earlier than sixty (60) days and not later than forty-five (45) days prior to the expiration of the applicable time period. Failure to submit the application within the required time period may result in expiration of the Provider’s approval and removal from the list of approved providers of a personal financial management instructional course.

Once completed, the entire package, including all supplemental documents and information, should be sent by one of two permissible delivery methods:

Notification must be in writing, signed by an authorized official, and include all pages of the application and/or appendices that are affected by the change. Notifications shall be transmitted in the same manner as the application.
