

DEPARTMENT OF THE TREASURY
FINANCIAL MANAGEMENT SERVICE
HYATTSVILLE, MD 20782

July 9, 2012

**TO EXECUTIVE OFFICERS OF POOLS AND ASSOCIATIONS RECOGNIZED BY THE U. S.
DEPARTMENT OF THE TREASURY:**

The Treasury Department annually examines the December 31, financial statements of surety companies holding Certificates of Authority from the Treasury. As a result of this examination, an underwriting limitation is established for each company, based on the reported Policyholders' Surplus.

When establishing a company's underwriting limitation, adjustments may be made to its surplus based on reinsurance (as reported on Schedule F) that has been placed with companies, pools and associations not recognized by Treasury. This disallowance applies even if the reinsurance does not cover surety bonds and regardless of whether the United States is involved.

The Treasury recognizes pools and associations as Admitted Reinsurers to the extent of the percentage of participation by Treasury authorized companies in each association.

In the past, some companies holding a Certificate of Authority have reported reinsurance ceded to your association in the Schedule F of their financial statement.

In order for these companies to continue to receive credit for such reinsurance, the **Treasury needs the names of the member companies of your association and their percentage of participation. Please use the attached form to report participants and their percentages. Information in any other format may not be accepted by this office.** This enclosure is also available for downloading from our internet address listed below. For future mailings, you can provide us with your company name and email address by sending it to Surety.Bonds@fms.treas.gov. Please state on the Subject line. "**Pools and Associations**".

If you wish Treasury recognition of your pool or association to continue, **please indicate on the attached, the respective company's percentage of participation as a member of your pool or association and return to this office, by August 15, 2012.** Also independent loss reserve certifications should be provided as soon as they are available for 2011 reporting purposes. The enclosed should be completed and returned to the following address or faxed to (202) 874-9978.
