SUPPORTING STATEMENT Revenue Procedure 99-50

1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

This revenue procedure permits combined information reporting by a successor business entity (<u>i.e.</u>, a corporation, partnership, or sole proprietorship) in certain situations following a merger or an acquisition. This revenue procedure explains both the procedure otherwise required under the regulations (the "standard procedure") and an elective procedure (the "alternative procedure") for preparing and filing certain Forms 1042-S, all forms in the series 1098, 1099, and 5498, and Forms W-2G, in certain situations involving a successor business entity and a predecessor business entity (<u>i.e.</u>, a corporation, partnership, or sole proprietorship) when the successor acquires substantially all of the property (1) used in the trade or business of the predecessor (including certain situations when one or more corporations are absorbed by another corporation pursuant to a merger agreement), or (2) used in a separate unit of a trade or business of the predecessor.

If the alternative procedure (<u>i.e.</u>, combined filing of information returns by the successor on behalf of the successor and the predecessor) is elected, the successor must file a statement with the IRS indicating what forms are being filed on a combined basis.

2. <u>USE OF DATA</u>

The required statement is needed to assist the Service in processing the forms filed by the alternative procedure. For example, the Service needs to be able to reconcile the amount of withheld taxes quarterlyreported by the predecessor and successor as separate business entities, to the annually-reported combined amount of withheld taxes reported exclusively by the successor as a single business entity.

3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

IRS Publications, Regulations, Notices and Letters are to be electronically enabled on an as practicable basis in accordance with the IRS Reform and Restructuring Act of 1998.

4. EFFORTS TO IDENTIFY DUPLICATION

We have attempted to eliminate duplication within the agency wherever possible.

5. <u>METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER</u> <u>SMALL ENTITIES</u>

Not applicable.

6. <u>CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL</u> <u>PROGRAMS OR POLICY ACTIVITIES</u>

Not applicable.

7. <u>SPECIAL CIRCUMSTANCES REQUIRING DATA COLLECTION TO BE</u> <u>INCONSISTENT WITH GUIDELINES IN 5 CFR 1320.5(d)(2)</u>

Not applicable.

8. <u>CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON</u> <u>AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY</u> <u>OF</u> <u>INSTRUCTIONS AND FORMS, AND DATA ELEMENTS</u>

Revenue Procedure 99-50 was published in the Internal **Revenue Bulletin** on December 27, 1999 (1999-52 IRB 757).

We received no comments during the comment period in response to the **Federal Register** notice (77 FR 6862), dated February 9, 2012.

9. <u>EXPLANATION OF DECISION TO PROVIDE ANY PAYMENT OR GIFT TO</u> <u>RESPONDENTS</u>

Not applicable.

10. ASSURANCE OF CONFIDENTIALITY OF RESPONSES

Generally, tax returns and tax return information are confidential as required by 26 USC 6103.

11. JUSTIFICATION OF SENSITIVE QUESTIONS

Not applicable.

12. ESTIMATED BURDEN OF INFORMATION COLLECTION

The collection of information is contained in section 5 of the revenue procedure which requires the filing of a statement that the alternative procedure has been elected. The estimated annual burden to prepare the statement is 5 minutes. The estimated number of respondents that will elect to use the alternative procedure is 6,000, therefore the estimated total annual burden is 500 hours.

Estimates of the annualized cost to respondents for the hour burdens shown are not available at this time.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

As suggested by OMB, our **Federal Register** notice dated February 9, 2012, requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any response from taxpayers on this subject. As a result, estimates of the cost burdens are not available at this time.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

Not applicable.

15. <u>REASONS FOR CHANGE IN BURDEN</u>

There is no change in the paperwork burden previously approved by OMB. We are making this submission to renew the OMB approval.

16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

Not applicable.

17. <u>REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS</u> <u>INAPPROPRIATE</u>

We believe that displaying the OMB expiration date is inappropriate because it could cause confusion by leading taxpayers to believe that the revenue procedure sunsets as of the expiration date. Taxpayers are not likely to be aware that the Service intends to request renewal of the OMB approval and obtain a new expiration date before the old one expires.

18. EXCEPTIONS TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I

Not applicable.

Note: The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required

to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.
