OMB Approval No. 2503-0033 (Exp. 12/31/2013)

Public reporting for this information collection is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to submit this form, unless it displays a valid OMB control number.

The information is required by Section 306(g) of the National Housing Act or by the Ginnie Mae Handbook, 5500.3, Rev. 1. The purpose is to provide a format to assist issuers with monthly RPB (Remaining Principal Balance) reports. The information will not be disclosed outside the Department without prior consent, except as required by law.

Applicability: Ginnie Mae I MBS Program and Ginnie Mae II MBS Program.

The following formats are provided to assist issuers in submitting initial RPB reports no later than 7:00 p.m. (Eastern time) on the second business day of each month. These formats are for use in conjunction with instructions contained in Chapter 19 of the Ginnie Mae MBS Guide. Issuers may submit such RPB initial reports by GinnieNET or by computer-to-computer. All corrections to such initial reports must be submitted using GinnieNET unless the CPTA, pursuant to Section 19-8(C) of the Guide, instructs the issuer to retransmit all of its pool and loan package RPB data by computer-to-computer transmission. Issuers using GinnieNET must follow the instructions set forth in the GinnieNET Issuer Guide. Compact disc (CD) reporting may only be used in situations where electronic means are unavailable due to an emergency.
