**NOTE:** VMS units must remain operational until a Letter of Exemption from the Southeast Office for Law Enforcement is received prior to turning off a vessel's VMS. Upon receipt of the letter of exemption, the vessel owner or operator may discontinue VMS operation for the period requested above. Vessel owners or operators may request changes to the time period for this exemption through a written request to the Southeast Office for Law Enforcement, provided the minimum period of 30 days is met. Vessels that wish to leave the port specified above during the exemption period for purposes other than engaging in fishing operations may do so, provided the VMS unit is turned on and is operational during transiting according to the regulations at 50 CFR Part 622.9(a)(2). Upon reaching another port, the VMS unit may once again be turned off for the duration of the exemption period specified above.

This form is required to obtain approval for a vessel to turn off their VMS unit consistent with the regulations at 50 CFR 622.9(a)(2) and to restart VMS operation for Gulf of Mexico Reef Fish permit holders. Making a false statement on this form is punishable by law.
