

Attachment 2: Web-based Survey Screener - English

We are asking people to be in a research study that will help us learn more about what people think about HIV related topics and messages. RTI International, a research company in North Carolina, is conducting the study. The Centers for Disease Control and Prevention (CDC) in Atlanta, Georgia, is funding the research.

To see if you are a good match for this study, we will need to ask you some personal questions. Some of the questions will be about your sexual orientation and your HIV status, if you know it. It is your choice to answer the questions. Your answers will be kept private to the extent allowed by law. You can refuse to answer any question or stop at any time.

May we ask you the questions to see if this you are a good match for this study?

- Yes
- No
