Form Approved  
OMB No. 0920-0920  
Expiration Date 2/28/15

#### HIV Prevention and Testing Messages for Act Against AIDS Social Marketing Campaigns Targeting Gay/Bisexual Men

Web-based Survey

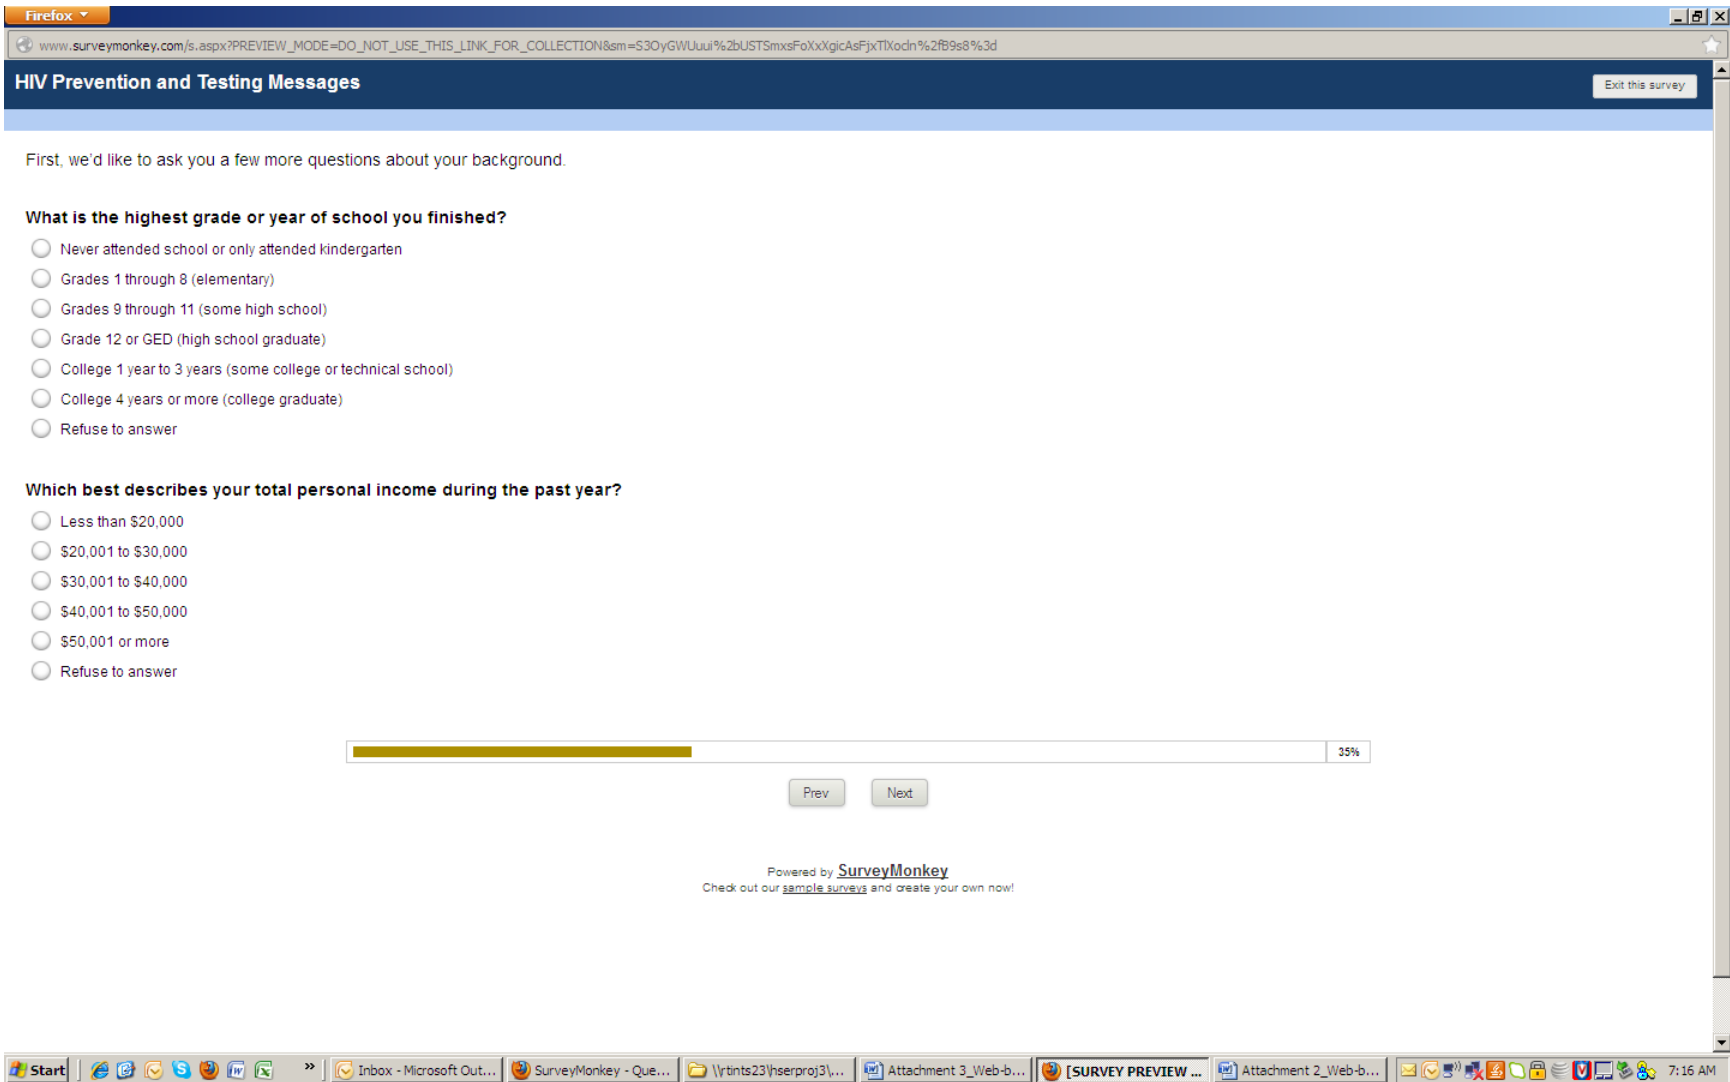

Public reporting burden of this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-0920)

[Sample campaign name]

The screenshot shows a web browser window with the address bar displaying a SurveyMonkey URL. The survey title is "HIV Prevention and Testing Messages" and there is an "Exit this survey" button in the top right corner. The main question asks: "Tell us how strongly you disagree or agree with each as the name for an HIV prevention campaign:". Below this, the text "Start talking. Stop HIV." is displayed. A horizontal scale with six radio button options is shown: "Strongly disagree", "Disagree", "Neither disagree no agree", "Agree", "Strongly agree", and "Refuse to answer". The question text "Overall, I liked this campaign name." is positioned above the scale. A progress bar below the scale indicates 42% completion. "Prev" and "Next" buttons are located below the progress bar. At the bottom of the survey area, it says "Powered by SurveyMonkey" and "Check out our sample surveys and create your own now!". The Windows taskbar at the bottom shows several open applications, including "Inbox - Microsoft Out...", "SurveyMonkey - Que...", and "[SURVEY PREVIEW ...]". The system clock shows 7:17 AM.

[Sample campaign name]

The screenshot shows a web browser window with the address bar displaying a SurveyMonkey URL. The survey title is "HIV Prevention and Testing Messages" and there is an "Exit this survey" button in the top right corner. The main question asks for agreement with a campaign name, with a Likert scale from "Strongly disagree" to "Strongly agree" and a "Refuse to answer" option. The survey progress bar shows 41% completion. Navigation buttons for "Prev" and "Next" are visible. The footer includes the SurveyMonkey logo and a link to "sample surveys". The Windows taskbar at the bottom shows several open applications including Microsoft Outlook, SurveyMonkey, and a web browser.

[Sample campaign name]

The screenshot shows a web browser window with the following elements:

- Browser Title Bar:** Firefox
- Address Bar:** www.surveymonkey.com/s.aspx?PREVIEW\_MODE=DO\_NOT\_USE\_THIS\_LINK\_FOR\_COLLECTION&sm=S3OyGWUui%2bUSTSmxsFoXxXgicAsFjxTIXodn%2fB9s8%3d
- Survey Header:** HIV Prevention and Testing Messages (with an "Exit this survey" button)
- Question Text:** Tell us how strongly you disagree or agree with each as the name for an HIV prevention campaign:
- Item:** TALK HIV. Overall, I liked this campaign name.
- Response Scale:** A horizontal scale with six radio buttons labeled: Strongly disagree, Disagree, Neither disagree no agree, Agree, Strongly agree, and Refuse to answer.
- Progress Bar:** A yellow progress bar indicating 47% completion.
- Navigation:** "Prev" and "Next" buttons.
- Footer:** Powered by SurveyMonkey. Check out our [sample surveys](#) and create your own now!

The Windows taskbar at the bottom shows the Start button, several application icons, and the system tray with the time 7:19 AM.

[Sample campaign message]

The screenshot shows a web browser window with the address bar displaying a SurveyMonkey URL. The page title is "HIV Prevention and Testing Messages" and there is an "Exit this survey" button in the top right corner. The main content area contains the following text:

The following questions include potential messages for use in ads for an HIV prevention campaign that focuses on partner communication.

**Tell us how strongly you disagree or agree with the following message:**

**Protect yourself and your partner. Talk about testing, your status, condoms and new options like medicines that prevent and treat HIV**

Overall, I liked this message.

Strongly disagree      Disagree      Neither disagree no agree      Agree      Strongly agree      Refuse to answer

Below the question is a horizontal progress bar that is approximately 46% full, with a "46%" label at the right end. Below the progress bar are "Prev" and "Next" buttons.

At the bottom of the survey area, it says "Powered by SurveyMonkey" and "Check out our sample surveys and create your own now!".

The Windows taskbar at the bottom shows several open applications: Start, Microsoft Outlook, SurveyMonkey - Questio..., [SURVEY PREVIEW MO..., and Attachment 2\_Web-base... The system tray on the right shows the time as 3:37 PM.

[Sample campaign message]

The screenshot shows a web browser window with the address bar displaying a SurveyMonkey URL. The page title is "HIV Prevention and Testing Messages" and there is an "Exit this survey" button in the top right corner. The main content area contains the following text:

Tell us how strongly you disagree or agree with the following message:

Talk about testing, your status, condoms and new options like medicines that prevent and treat HIV.

Overall, I liked this message.

Strongly disagree    Disagree    Neither disagree no agree    Agree    Strongly agree    Refuse to answer

Below the response options is a progress bar showing 48% completion. There are "Prev" and "Next" buttons below the progress bar. At the bottom of the survey area, it says "Powered by SurveyMonkey" and "Check out our sample surveys and create your own now!".

The Windows taskbar at the bottom shows the Start button, several application icons, and the system tray with the time 3:38 PM.

[Sample campaign message]

The screenshot shows a web browser window with the address bar displaying a SurveyMonkey URL. The page title is "HIV Prevention and Testing Messages" and there is an "Exit this survey" button in the top right corner. The main content area contains the following text:

Tell us how strongly you disagree or agree with the following message:

**Talk about testing, your status, condoms and medicines that prevent and treat HIV.**

Overall, I liked this message.

Strongly disagree   Disagree   Neither disagree no agree   Agree   Strongly agree   Refuse to answer

Below the response options is a progress bar showing 50% completion. There are "Prev" and "Next" buttons below the progress bar. At the bottom of the survey area, it says "Powered by SurveyMonkey" and "Check out our sample surveys and create your own now!".
