

Utilization of FAS/FASD Curriculum (MRFASSTC) Follow-up, 3 month

1. MRFASSTC-Utilization of Curriculum

Thank you for attending the Midwest Regional Fetal Alcohol Spectrum Disorders Training Center's Academic Faculty Conference.

Below are a few short questions about your curriculum. If asking for a number, please only enter a single number.

IF YOU ARE IN A RESIDENCY PROGRAM, PLEASE SKIP TO QUESTION 3.

1. Number of courses in your department or program that teach any FASD competencies (Please put "0" if doesn't apply to you).

2. Number of courses that you teach that address any FASD competencies. (Please put "0" if doesn't apply to you).

3. Please provide the total number of minutes you spend teaching each competency across all of your courses. If you are in a residency program, please complete the boxes below for the entire program. If the competency isn't currently taught, please type in "0".
