Great Lakes FASD Regional Training Center 6-Month Follow-up Evaluation: Identification and Treatment of FASD

Thank you for attending the FASD training on Identification and Treatment of FASD 6 months ago. At this training, you gave us permission to email you this follow-up survey. We appreciate your willingness to help us evaluate the effectiveness of the training and its impact on your practice as you address the prevention, identification, and treatment of fetal alcohol spectrum disorders (FASDs).

The survey takes approximately 15 minutes to complete and your responses will be treated confidentially. We encourage you to complete the survey as soon as possible, however, you will have two weeks upon receipt of this email to complete the survey.

Thank you for your participation!

If you have any questions about this survey, please contact Barbara Vardalas, Evaluator, at the Great Lakes FASD Regional Training Center, phone number 608-263-0452 or email at barbara.vardalas@fammed.wisc.edu.

The public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to - CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333 ATTN: PRA (XXXX-XXXX)
