

Population Assessment of Tobacco and Health (PATH)  
Study

# Wave 4 Cognitive Testing Protocol

Adult Barcode Scanning Module

# Adult Barcode Scanning Module

R03\_AX0214

EXISTING PATH ITEM ADAPTED FOR COGNITIVE TESTING

1. **Finally, we would like to scan the bar code on any tobacco products that you have right now for your own use, including any electronic nicotine products. Scanning the barcode allows us to learn additional information about your product, such as how it was made.**

**We are only interested in the products that you have used or intend to use soon.**

**Our interviewer will do the scanning for you. The interviewer will also ask you a couple of questions about the products we are scanning. Other people in your home might see the products as you hand them to the interviewer or hear the questions we ask you about the products.**

**Is it OK to scan your tobacco products now?**

- Yes
- No

**What do you think about what you just read? What do you think might happen next? IF NEEDED, How do you think the scanning will work?**

**Why do you think we are scanning the products?**

**How likely do you think you would be to let the interviewer scan your products? Why is that?**
