Family and Early Care and Education Provider Relationship Study

Teacher and Child Care Provider Survey

ADMINISTRATION FOR
CHILDREN & FAMILIES

Provider Survey

Thank you for agreeing to participate in the Family and Early Care and Education Provider Relationship Study. The results will help us develop surveys that teachers, child care providers, and policymakers can use to improve children's care and education.

This survey asks about you and your early education and child care program. We will also ask about the parents and families of children whose learning and development you support. Some of these questions will be about how you and the families of children in your care communicate and work together.

All information obtained from this study will be kept private. The report summarizing the findings will not contain any names or identifying information.

Please follow these steps:

1. Complete the provider survey. It takes approximately 10 minutes.

Please use a black or blue pen to complete this form.

Mark to indicate your answer.

If you change your answer, mark on the wrong answer, and mark to indicate the right answer.

2. Use the self-addressed, postage-paid envelope, to mail the survey back to:

XXXXXX XXXXXX
Westat
1600 Research Boulevard
Rockville, Maryland
20850-3129

3. As a token of our appreciation for your time and effort, you will receive a check for \$50 within 2-3 weeks of our receipt of your completed questionnaire.

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB number.

The office of Management and Budget has approved the data collection under OMB #XXXX-XXXX. OPRE is authorized to conduct this study under Section 649 of the Head Start Act, as amended by the Improving Head Start for School Readiness Act of 2007, codified at 42 United States Code (U.S.C.) 9844.
