

Medicare Administrative Contractor (MAC) Satisfaction Indicator (MSI) Questionnaire

FINAL VERSION

The MSI is designed to measure your satisfaction as a Medicare provider with the performance of your Medicare Administrative Contractor (MAC).

The MSI will not measure your satisfaction with other Medicare contractor types such as the Railroad Retirement Board (RRB), Recovery Audit Contractors (RACs), Comprehensive Error Rate Testing (CERT) contractors, Zone Program Integrity Contractors (ZPICs), or Qualified Independent Contractors (QICs). This Questionnaire will take about 15 – 20 minutes to complete.

Your answers will remain anonymous, and your participation is voluntary.

This survey is authorized by Office of Management and Budget Control No. 1090-0007 which expires on March 31, 2015. This survey will take approximately 15-20 minutes.

Note: Throughout this document, the term provider is used inclusive of provider types, provider specialties and suppliers. The questionnaire is to be completed by you, the Medicare provider or supplier. If any of the work described in the sections below are handled by other personnel, you may want to ask them for the answers to the questions in the applicable section(s).
