## **Public Burden Statement**

Public Burden Statement
The SET Demonstration is being carried out under the legal authority of PL 105-220 (subtitle D [sections 171 and 172]). Completing this document, which seeks to help the U.S. Department of Labor understand the effects of SET services on customers' employment-related outcomes, is required to obtain or receive the benefit of a reimbursement for service delivery. The public reporting burden for this collection of information is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research, U.S. Department of Labor, Room N5641, 200 Constitution Avenue, NW, Washington, DC 20210.
