Community Development Financial Institutions Fund

CDE Certification Application

CDFI FUND MISSION

The mission of the Community Development Financial Institutions Fund (the CDFI Fund) is to expand the capacity of financial institutions to provide credit, capital, and financial services to underserved populations and communities in the United States.

WHAT IS A COMMUNITY DEVELOPMENT ENTITY (CDE)?

A Community Development Entity (CDE) is a domestic corporation or partnership that is an intermediary vehicle for the provision of loans, investments, or financial counseling in Low-Income Communities (LICs), under the New Markets Tax Credit (NMTC) Program.

CDE CERTIFICATION DESIGNATION

An entity seeking CDE certification must submit a CDE Certification Application to the CDFI Fund as directed herein. To qualify as a CDE, an *Applicant CDE* must at the time of application submission:

- Be a legally established entity and a domestic corporation or partnership for Federal tax purposes;
- Have a primary mission of serving or providing investment capital to LICs or Low-Income Persons; and
- Establish accountability to LICs through representation on its governing or advisory board.

Through the CDE Certification Application, an entity may apply for certification solely on its own behalf, or on behalf of itself and one or more Subsidiary Applicants, provided that each applicant entity is legally established at the time of application. Each entity and subsidiary entity seeking CDE certification must have a valid Employer Identification Number (EIN) at the time the CDE Certification Application is submitted.

NOTE: Community Development Financial Institutions (CDFIs) and Specialized Small Business Investment Companies (SSBICs) seeking CDE certification automatically qualify as CDEs and do not need to complete this Certification Application. Such entities should register electronically for CDE certification on the CDFI Fund's website at www.cdfifund.gov.

NOTE: Subsidiaries and Affiliates of certified CDEs, CDFIs, and SSBICs do not automatically qualify as CDEs. The parent CDE must submit this CDE Certification Application to have its Subsidiary entities certified as CDEs.

NOTE: Section 7701(a)(4) of the Internal Revenue Code defines "domestic" when applied to a corporation or partnership to mean created or organized in the United States or under the law of the United States or of any State unless, in the case of a partnership, the Secretary provides otherwise by regulations.

- Organizations incorporated in US territories are not considered "domestic" corporations or partnerships for the purpose of this definition.

CDE CERTIFICATION BENEFIT

Benefits of being certified as a CDE include being able to apply to the CDFI Fund to receive a New Markets Tax Credit (NMTC) allocation to offer its investors in exchange for equity investments in the CDE and/or its subsidiaries; or to receive loans or investments from other CDEs that have received NMTC allocations.

New Market Tax Credit Program

Under the NMTC Program, taxpayers may claim a credit against Federal income taxes for Qualified Equity Investments made to acquire stock or other capital interests in designated CDEs. Substantially all of the Qualified Equity Investments must be used by the CDE to, among other things, make loans to, or equity investments in, qualified businesses or CDEs operating in Low-Income Communities. The investor (either the original purchaser or a subsequent holder) receives a tax credit for a seven-year period equal to five percent of the total amount paid for the stock or capital interest, at the time of purchase, for each of the first three years, and six percent annually for the remaining four years.

Applying for NMTC Allocations

The CDFI Fund allocates NMTC authority to for-profit and non-profit CDEs through a competitive application process pursuant to a Notice of Allocation Availability (NOAA) published in the Federal Register. NMTC Allocation Application materials and guidance are available from the CDFI Fund's website at www.cdfifund.gov. For-profit CDE NMTC Allocation awardees can provide their investors the tax credit in exchange for stock or capital interests. A Non-profit CDE NMTC Allocation awardee must demonstrate to the CDFI Fund, prior to receiving an Allocation Agreement, that: 1) it controls one or more for-profit Subsidiary CDE(s); and 2) it intends to transfer the entire NMTC Allocation to its for-profit Subsidiary CDE(s).

For-profit and non-profit entities that do not apply to the CDFI Fund for NMTC Allocations may obtain CDE certification in order to receive Qualified Low-Income Community Investments from for-profit CDE NMTC Allocation recipients.

MAINTAINING CDE CERTIFICATION

Each CDE NMTC Allocation awardee, as well as CDEs that are recipients of Qualified Low-Income Community Investments (QLICs) from other CDEs, may be required to annually certify to the Fund that it continues to meet the Primary Mission and Accountability requirements by providing the information below. The Fund may revoke a CDE's certification if it fails to provide the requested information.

- Information indicating that the entity remains accountable to the LIC(s) it is serving; and
- A certification statement certifying that no material changes have occurred to affect their current status as a CDE.
