Dear Mr. Lanier:

I want to thank you for your comments in response to Docket FMCSA-2012-0048: Renewed Approval of Information Collections. The Federal Register dated April 20, 2012 was for comments to revise a currently approved information collection for Class I Motor Carriers of Passengers, (Form MP-1) entitled, "Annual and Quarterly Reports." The information collection is necessary to ensure that motor carriers comply with financial and operating statistics requirements at 49 CFR part 369. A copy of the Federal Register is enclosed for your information.

Thank you for taking the time to comment.

Sincerely,

A handwritten signature in cursive script that reads "Dr. G. Kelly Leone".
