SUBJECT: Justification for Decrease Burden Hours to OMB Control No: 0584-0006
National School Lunch Program

Through this memorandum, we are requesting a non-substantive change to the burden estimates for the National School Lunch Program, under the Information Collection Request (ICR), OMB Control No. 0584-0006, which was approved on August 28, 2012.

Food and Nutrition Service (FNS) Planning and Regulatory Affairs Branch, FNS Child Nutrition Division and the Office of Management and Budget (OMB) worked to clarify the nature of the subject information collection and to decrease burden on the public. The review resulted in a significant decrease of 2 million burden hours. Unfortunately, this information did not get reflected in ROCIS prior to OMB's approval.

There are no other changes at this time to this data collection. Below are two charts, the first is what is currently approved in ROCIS and the second chart reflects the revised burden hours for which the program is seeking approval.

The currently approved burden hours are:
