**INSTRUCTIONS**  
**APPLICATION FOR IFQ/CDQ HIRED MASTER PERMIT**

This application must be used to obtain permits for Pacific halibut and sablefish Individual Fishing Quota (IFQ) and Western Alaska Community Development Quota (CDQ) hired masters (hired skippers) where authorized under regulations at 50 CFR Part 679 and to obtain permits for halibut CDQ fishing.

Some Skippers have been QS/IFQ holders in their own right, some were at least part owners of the vessels on which they were hired to fish another person's IFQ, and some have been shareholders, partners, or "owners" of the non-individual QS holding entity that hired them.

A separate application must be completed for each vessel, each IFQ permit number, and each CDQ permit number.

***PROGRAM REQUIREMENTS***

- ◆ **IFQ permit holders who are not individuals** MUST designate a hired master (skipper) to fish their IFQ or obtain a permit to access their account. RAM will not automatically send a permit to the representative or the agent of non-individual quota share (QS) holders.
- ◆ **Individual IFQ permit holders** may not designate a skipper to harvest halibut IFQ in Regulatory Area 2C or to harvest sablefish in SE ().
- ◆ With few exceptions, to be eligible to obtain a hired master, a **person holding catcher vessel IFQ** must own (either directly or indirectly) at least 20 percent of the vessel upon which the hired master will fish the IFQ. Proof of vessel ownership must be submitted to NMFS each year. Federal regulations at 50 CFR 679.42(i) and (j) define acceptable proof of ownership as:
  - ◆ **For a documented vessel**, owns a minimum 20-percent interest in the vessel as shown by the USCG Abstract of Title that lists the permit holder as an owner and, if necessary to prove the required percentage ownership, other written documentation.
  - ◆ **For an undocumented vessel**, owns a minimum 20-percent interest in the vessel as shown by a State of Alaska vessel license or registration that lists the permit holder as an owner and, if necessary to show the required percentage ownership interest.
  - ◆ **Indirect ownership of vessel**: If the IFQ permit holder is not the person listed on the USCG Abstract of Title or the person listed on the State of Alaska vessel license or registration, documentation establishing an indirect ownership link with the vessel is required. Such documentation must be in the form of third-party verification, and may include such things as corporate annual reports, corporate meeting minutes, stock certificates, tax returns, etc.
- ◆ **Category "A" (freezer vessel) permit holders** do not need to send proof of vessel ownership but MUST provide the vessel information requested in Block C.
- ◆ **CDQ permit holders** are not required to provide the vessel information requested in Block C.
