POSTAL LETTERS TO LEOs – QUANTITATIVE SURVEY

Notification Letter

December 13, 2012

Dear Local Election Official:

The Federal Voting Assistance Program (FVAP), in coordination with the Defense Manpower Data Center (DMDC), has selected your jurisdiction to participate in the *2012 Post-Election Quantitative Voting Survey*. The data derived from the post-election survey is used to produce a congressional report mandated by the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* following each election. FVAP will also use this information to help evaluate its programs and work to improve the absentee voting process for Uniformed Service members, their families, and citizens overseas. This survey is not the same as the Election Day survey conducted by the United States Election Assistance Commission. Participation in this survey is voluntary; however, your input is greatly appreciated.

The Post-Election survey for Local Election Officials was broken into two forms: a qualitative form and a quantitative form. A statistically derived sample of LEOs will be sent the qualitative form.

The survey booklets and spreadsheets will be available to download on January 2, 2013 from the website below.
