

## 2012 Post-Election Quantitative Voting Survey

OMB Control No. xxxx-xxxx  
Exp. {EXPIRE DATE}

### Welcome

The Federal Voting Assistance Program (FVAP) is collecting data to assist with absentee voting program improvement and to provide a report to Congress regarding the absentee voting process. FVAP will also use this information to help evaluate its programs and work to improve the absentee voting process for uniformed service members, their families, and citizens overseas. This survey is not the same as the Election Day survey conducted by the United States Election Assistance Commission. Participation in this survey is voluntary; however, your input is greatly appreciated.

To complete the survey, you will need to download both the survey booklet and Microsoft Excel spreadsheet and save them to your computer. You will not be able to complete the survey without both documents. The survey booklet contains all questions that you will be asked to provide data for in the spreadsheet.

**Step 1:** Download the **survey booklet** here [Survey Booklet](#)

**Step 2:** Download the **spreadsheet** here: [Microsoft Excel Spreadsheet](#)

Once you have finished entering data for all questions into the Microsoft Excel spreadsheet, return to this site, click “Browse...” (as pictured below), navigate to your completed spreadsheet on your computer, and click “Upload” to upload the file to submit your answers.
