Abstract: Subtitle C of Title VI of the Omnibus Public Land Management Act of 2009 (Act) (Pub. L. 111-11) authorizes the Secretary of the Interior and the Secretary of Agriculture to develop a Wolf-Livestock Demonstration Project Grant Program (WLDPGP) to:

- Assist livestock producers in undertaking proactive, nonlethal activities to reduce the risk of livestock loss due to predation by wolves; and
- Compensate livestock producers for livestock losses due to such predation.

The Act directs that the program be established as a grant program to provide funding to States and tribes, that the Federal cost-share not exceed 50 percent, and that funds be expended equally between the two purposes. The Act included an authorization of appropriations up to \$1 million each fiscal year for 5 years. The U.S. Fish and Wildlife Service Endangered Species Program will allocate the funding as competitively awarded grants to States and tribes with a prior history of wolf depredation. States with delisted wolf populations are eligible for funding, provided that they meet the eligibility criteria contained in Public Law 111-11.

The following additional criteria apply to all WLDPGP grants and must be satisfied for a project to receive WLDPGP funding:

- A proposal cannot include U.S. Fish and Wildlife Service full-time equivalent (FTE) costs.
- A proposal cannot seek funding for projects that serve to satisfy regulatory requirements of the Endangered Species Act (ESA) including complying with a biological opinion under section 7 or fulfilling commitments of a Habitat Conservation Plan (HCP) under section 10, or for projects that serve to satisfy other Federal regulatory requirements (e.g., mitigation for Federal permits).
- State administrative costs must be assumed by the State or included in the proposal in accordance with Federal requirements.

We will publish notices of funding availability on the Grants.gov Web site at <http://www.grants.gov> as well as in the Catalog of Federal Domestic Assistance at <http://cfda.gov>. To compete for grant funds, eligible States and tribes must submit an application that describes in substantial detail project locations, project resources, future benefits, and other characteristics that meet the Wolf-Livestock

Demonstration Project Grant Program purposes as listed above. In accordance with the Act, States and tribes that receive a grant must:

- Maintain files of all claims received under programs funded by the grant, including supporting documentation; and
- Submit an annual report that includes a summary of claims and expenditures under the program during the year and a description of any action taken on the claims.

Materials that describe the program and assist applicants in formulating project proposals will be available on our Web site at www.fws.gov/grants. Persons who do not have access to the Internet may obtain instructional materials by mail.

Comments: On April 2, 2012, we published in the **Federal Register** (77 FR 19682) a notice of our intent to request that OMB approve this information collection. In that notice, we solicited comments for 60 days, ending on June 1, 2012. We received one comment in response to that notice. The commenter objected to this grant program, but did not address the information collection requirements. We did not make any changes to the requirements.

We again invite comments concerning this information collection on:

- Whether or not the collection of information is necessary, including whether or not the information will have practical utility;
- The accuracy of our estimate of the burden for this collection of information;
- Ways to enhance the quality, utility, and clarity of the information to be collected; and
- Ways to minimize the burden of the collection of information on respondents.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done.

SUPPLEMENTARY INFORMATION:

Background. On October 5, 2012, the Commission determined that the domestic interested party group response to its notice of institution (77 FR 39257, July 2, 2012) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.

Staff report. A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on October 30, 2012, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions. As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before November 2, 2012 and may not contain

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by November 2, 2012. However, should the Department of Commerce extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. Please be aware that the Commission's rules with respect to electronic filing have been amended. The amendments took effect on November 7, 2011. See 76 FR 61937 (Oct. 6, 2011) and the newly revised Commission's Handbook on E-Filing, available on the Commission's Web site at <http://edis.usitc.gov>.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Issued: October 10, 2012.
