Passport Forecasting Survey

We are conducting interviews with Americans ages 18 and older to help the Department of State better serve the public's need for passport services in the coming months and years. Your household was selected at random. It is important a person who is knowledgeable about the travel habits of your household complete this interview. Your participation, while voluntary, will be essential to the success of the study. Your responses are confidential and individual responses will not be used to identify respondents for any purposes.

Thank you for participating in this important research!
