Disclaimer

The Electronic System for Travel Authorization performs checks against law enforcement databases. All travelers seeking admission to the United States under the Visa Waiver Program are required to obtain an electronic travel authorization using this system prior to being granted boarding.

If your electronic travel authorization application is approved, it establishes that you are eligible to travel, but does not establish that you are admissible to the United States under the Visa Waiver Program. Upon arrival to the United States, you will be inspected by a U.S. Customs and Border Protection Officer at a port of entry who may determine that you are inadmissible under the Visa Waiver Program or for any reason under United States law.

A determination that you are not eligible for electronic travel authorization does not preclude you from applying for a visa to travel to the United States.

All information provided by you, or on your behalf by a designated third party, must be true and correct. An electronic travel authorization may be revoked at any time and for any reason, such as new information influencing eligibility. You may be subject to administrative or criminal penalties if you knowingly and willfully make a materially false, fictitious, or fraudulent statement or representation in an electronic travel authorization application submitted by you or on your behalf.

WARNING: If upon application for admission to the United States at a port of entry you are admitted under the Visa Waiver Program (VWP) by a US Customs and Border Protection Officer, you may not accept unauthorized employment; or attend school; or represent the foreign information media during your visit under the program. You may not apply for: 1) a change of nonimmigrant status, 2) an extension of stay, or 3) adjustment of status to temporary or permanent resident, unless eligible under section 245(c)(4) of the Immigration and Nationality Act. Violation of these terms will subject you to REMOVAL.

Please indicate you have read and understand the information provided above:

- Yes, I have read and understand the information and agree to these terms.
- No, I need additional clarification or I decline to provide acknowledgement.

Must Select 'Yes' to Continue to Promotion Act page

The Travel Promotion Act of 2009

On March 4, 2010, President Obama signed into law the Travel Promotion Act (TPA) of 2009, Pub. L. No. 111-145. The Act directs the Secretary of Homeland Security to establish a fee for the use of the ESTA system, comprised of \$10.00 for each VWP applicant receiving authorization to travel to the United States and \$4.00 for the processing of the ESTA application. Applicants who are denied authorization to travel to the U.S. under the VWP will only be charged \$4.00. The fee may only be paid by credit card. Applicants may save the application data and return to the application at a later date to enter the payment information. However, the application will not be submitted for processing until all payment information is completed.

WARNING: The administrative fee will be collected by credit card. It is crucial that all applicants enter their ESTA and credit card information accurately. If information is entered incorrectly, the applicant may be charged additional fees to reapply. Updates to an application will not accrue additional fees. Applicants who do not complete the payment process will not receive authorization to travel to the United States and will not be allowed to board any aircraft or vessel destined for the United States. If an applicant stops payment of the fee, his or her authorization to travel to the United States will be revoked. CBP is not responsible for additional fees that may be charged by the applicant's credit card company for the transaction. By pressing the "Apply" button in the application process, applicants agree not to dispute any administrative fee charged by CBP for the use of the ESTA system, and further acknowledge that there are no refunds.

Online Help for ESTA Payment

Is there a fee for a travel authorization?

Yes, there is a fee associated with the Travel Promotion Act of 2010. The fee is comprised of two parts:

- **Processing Fee.** All applicants requesting an electronic travel authorization are charged for the processing of the application.
- **Authorization Fee.** If your application is approved and you receive authorization to travel to the United States under the Visa Waiver Program, an additional \$10.00 will be charged to your credit card. If your electronic travel authorization is denied, you are only charged for the processing of your application.

CBP is not responsible for any additional fees that may be charged by your credit card company for the transaction.

[Return to Top of Page](#)

How do I pay for my travel authorization?

All payments for electronic travel authorization applications must be made by credit card. The ESTA system currently accepts only the following credit cards: MasterCard, VISA, American Express, and Discover. Your application will not be submitted for processing until all payment information is received.

[Return to Top of Page](#)

Is the credit card information I use for payment secure?

Yes. The ESTA system does not retain your credit card information after the transaction is processed.
