Respondent

90 Day
Response
Period Passes

No response

Agency

OPP

1. Document non-response from Order recipient
2. Coordinate with EPA legal team
3. Recommend applicable action based on existing procedures for addressing non-responders to DCIs, e.g., suspend registration?

OPPTS/AA

1. Make decision on action to take
2. Communicate decision

OPP

1. Take appropriate action, e.g., Issue Notice of Intent to Suspend
2. Close-out the Order.
