In order to serve its clients better, HUD has made the following non material change in providing submissions of Mortgage Insurance applications. Submission of applications will now be transmitted electronically in accordance with Mortgagee Letter 2010-21 and Housing Notice 2010-11. There will be no increase in the number of respondents impacted by these requirements in the Mortgage Letter as it will apply to the same entities, MAP lenders, who submit applications now. It is anticipated that the burden hours, save for an initial 2-3 hours of set up, will be reduced from the current level required for the preparation and submittal of applications as a result of standardizing the format and providing the means for taking advantage of commonly available software..
