Authority for collection of information on this form is contained in 24 CFR, CH 11 (4-1-99 Edition), Section 200.105, Mortgagor Supervision, Page 22. The information is sent to the Department of Housing and Urban Development (HUD) the tenth day of each month by owner s or management agents of HUD-insured or Secretary-held properties. The information is used by HUD to assess the need for remedial actions to correct project deficiencies. If information is not collected the Department would not be able to monitor debt collection on HUD-held projects and it would increase the potential for fraud, diversions, defaults, and assignments. The information is not considered sensitive. While no assurance of confidentiality is pledged to respondents, HUD generally discloses this data only in response to a Freedom of Information request.

**Public reporting** burden for this collection of information is estimated to average 1 hour. This includes the time for collecting, reviewing, and reporting the data. The information is being collected to obtain the supportive documentation which must be submitted to HUD for approval, and is necessary to ensure that viable projects are developed and maintained. HUD will use this information to determine if properties meet HUD requirements with respect to development, operation and/or asset management, as well as ensuring the continued marketability of the properties. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.
