Statement of Agreement

1. SECURITY INTEREST; SETOFF.

(a) To secure the full, prompt and complete payment and performance of all Obligations (defined hereafter), the Master Tenant hereby, to the fullest extent permitted by applicable law, grants to, and creates in favor of, the Secured Party a continuing security interest in any and all of Master Tenant’s right, title and interest in and to the property described on Exhibit B attached hereto and incorporated herein by reference (the “**Collateral**”).

“**Obligations**” means: (1) all liabilities, obligations, covenants, debts and amounts owing from the Borrower, Operator, and/or Master Tenant to the Secured Party and/or HUD arising out of, in connection with, described in, or evidenced by the Loan Documents and/or Master Lease Documents, whether direct or indirect, absolute or contingent, related or unrelated, now or in the future existing and whether consisting of principal, interest, fees, indemnities, expenses (including attorneys’ fees), charges or other sums, however any of that indebtedness, obligations, or liabilities may be evidenced or acquired, all as now exist or may, after the date of this Agreement, be incurred, renewed, extended, consolidated, adjusted or amended; and (2) Master

Tenant's rent and other payments (including all tax, insurance or other capital, repair or impound reserve payments required under the Master Lease) and the performance by Master Tenant of its obligations under the Master Lease.

(a) In addition to (and without limitation of) any right of setoff, lien or counterclaim the Secured Party may otherwise have, the Secured Party may, at its option refuse to allow withdrawals by, or for the benefit of the Borrower and/or Operator and/or Master Tenant of any and all funds, monies, securities and other property held in escrow or in reserves or for the account of the Borrower and/or Operator and/or Master Tenant pursuant to the Loan Documents or Master Lease Documents (collectively "**Escrowed Funds**"), and may setoff and retain such Escrowed Funds, against any of the Obligations payable to Secured Party under any of the Loan Documents or Master Lease Documents which is not paid when due (whether or not any of the funds, monies, securities, or other property are then distributable to, or on behalf of, the Master Tenant and/or Borrower and/or Operator).

(b) Notwithstanding any provisions to the contrary contained in this Agreement, nothing set forth in this Agreement shall be construed as granting to Secured Party a security interest, assigning receivables, giving dominion and control or designating an attorney-in-fact with respect to Healthcare Assets if doing so would violate any applicable law.

2. ASSIGNMENT OF LEASES AND RENTS

(a) Master Tenant absolutely and unconditionally assigns and transfers to Secured Party all of Master Tenant's rights, title and interest in, to and under the Sublease and Other Subleases (collectively, the Sublease and Other Leases are referred to herein as the "**Leases**," and any one individually as a "**Lease**" and the Healthcare Facility and Other Facilities are referred to herein collectively as the "**Facilities**"), including Master Tenant's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease. It is the intention of Master Tenant to establish a present, absolute and irrevocable transfer and assignment to Secured Party of all of Master Tenant's right, title and interest in, to and under the Leases. Master Tenant and Secured Party intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases shall not be deemed to be a part of the collateral otherwise described in this Agreement. However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the applicable jurisdictions, then the Leases shall be included as a part of the collateral and it is the intention of Master Tenant that in this circumstance this Agreement create and perfect a lien on the Leases in favor of Secured Party, which lien shall be effective as of the date of this Agreement, provided, however, that to the extent Master Tenant may have granted an assignment or security interest to Secured Party in any of the Other Subleases in connection with any of the Other FHA-insured Loans prior to the execution of this Agreement, nothing in this Agreement is intended to nullify, void, amend, modify, delay the effectiveness, effect the priority, or otherwise effect any such assignment or grant of security interest.

(b) Master Tenant absolutely and unconditionally assigns and transfers to Secured Party all of Master Tenant's rights, title and interest in and to the "**Rents**" (as that term

is defined in the Loan Documents) due under the Leases and any other leases affecting the Healthcare Facilities. It is the intention of Master Tenant to establish a present, absolute and irrevocable transfer and assignment to Secured Party of all of Master Tenant's right, title and interest in and to the Rents. Master Tenant and Secured Party intend this assignment of the Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of the Rents, and for no other purpose, the Rents shall not be deemed to be a part of the collateral otherwise described in this Agreement. However, if this present, absolute and unconditional assignment of the Rents is not enforceable by its terms under the laws of the applicable jurisdictions, then the Rents shall be included as a part of the Collateral and it is the intention of Master Tenant that in this circumstance this Agreement create and perfect a lien on the Rents in favor of Secured Party, which lien shall be effective as of the date of this Agreement, provided, however, that to the extent Master Tenant may have granted an assignment or security interest to Secured Party in any of the Other Subleases in connection with any of the Other FHA-insured Loans prior to the execution of this Agreement, nothing in this Agreement is intended to nullify, void, amend, modify, delay the effectiveness, effect the priority, or otherwise effect any such assignment or grant of security interest.

(c) Until the occurrence of an Event of Default and notice by Secured Party to Master Tenant of Secured Party's exercise of its rights under this assignment, Master Tenant shall have all rights, power and authority granted to Master Tenant under any Lease (except as otherwise limited by this Section or any other provision of this Agreement), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease as such rights are limited or affected by the terms of the Loan Documents, Master Lease Documents, and "**Program Obligations**" (as defined in the Security Instrument). Upon the occurrence of an Event of Default and notice by the Secured Party, the permission given to Master Tenant pursuant to the preceding sentence to exercise its rights, power and authority under Leases shall terminate. Master Tenant agrees to comply with and observe Master Tenant's obligations under all Leases, including Master Tenant's obligations, if any, pertaining to the maintenance and disposition of security deposits, both before and after any such termination of the Master Tenant's rights.

(d) Master Tenant acknowledges and agrees that the exercise by Secured Party, either directly or by its designee, of any of the rights conferred under this assignment shall not be construed to make Secured Party a mortgagee-in-possession of the Healthcare Facility so long as, and to the extent, Secured Party, or an authorized agent of Secured Party, has not entered into actual possession of the Healthcare Facility. The acceptance by Secured Party of the assignment of the Leases and Rents shall not at any time or in any event obligate Secured Party to take any action under this Agreement or to expend any money or to incur any expenses. Secured Party shall not be liable in any way for any injury or damage to person or property sustained by any person or persons, firm or corporation in or about the Healthcare Facility unless Secured Party is a mortgagee-in-possession. Prior to Secured Party's actual entry into and taking possession of the Healthcare Facility, Secured Party shall not (1) be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease); (2) be obligated to appear in or defend any action or proceeding relating to the Leases or the Healthcare Facility; or (3) be responsible for the operation, control, care, management or repair of the Healthcare Facility or any portion of the

Healthcare Facility. The execution of this Agreement by Master Tenant shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Healthcare Facility is and shall be that of Master Tenant, prior to such actual entry and taking of possession.

(e) Upon delivery of notice by Secured Party to Master Tenant of Secured Party's exercise of Secured Party's rights under this Agreement at any time after the occurrence of an Event of Default, and without the necessity of Secured Party entering upon and taking and maintaining control of the Healthcare Facility directly, by a receiver, or by any other manner or proceeding permitted by the laws of the applicable jurisdiction, Secured Party immediately shall have all rights, powers and authority granted to Master Tenant under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

3. REPRESENTATIONS; GENERAL COVENANTS.

(a) To induce the Secured Party to make the Loan to Borrower and to induce HUD to grant its consent as applicable to the proposed transaction, pursuant to Program Obligations, the Master Tenant certifies and warrants to the Secured Party that the following statements are, and will continue throughout the term of this Agreement to be, true: (i) the security interest granted to the Secured Party in the Collateral constitutes a valid, first priority security interest; (ii) the Master Tenant has good title to, and is the sole and lawful owner of, the Collateral; (iii) the Master Tenant has full power and authority to enter into and perform its obligations under this Agreement; (iv) other than rights granted to the Borrower under the Master Lease, if any, which are subordinate to the liens in favor of the Secured Party (“**Subordinate Master Lease Rights**”) and inferior liens which are explicitly approved in writing by the Secured Party (“**Permitted Liens**”) and taxes that are not yet due and payable, the Collateral is free and clear of any lien, security interest, claim, interest, pledge, assignment or other encumbrance (a “**Lien**”); (v) the Master Tenant keeps all tangible Collateral at the Healthcare Facility; (vi) all trade names, assumed names, fictitious names and other names used by the Master Tenant during the five year period preceding the date of this Agreement are set forth on unrecorded Exhibit C, and the Master Tenant has not, during the preceding five year period, except as may be set forth on unrecorded Exhibit C, acquired any of its assets in any bulk transfer; (vii) Master Tenant’s location (as defined in Article 9 of the UCC) is as set forth in the first paragraph of this Agreement; (viii) Master Tenant's exact legal name is as set forth in the first paragraph of this Agreement; (ix) Master Tenant’s organizational number (if any) as assigned by the State in which Master Tenant is organized is the number identified as such on the financing statement(s) filed in connection with the closing of the Loan, and (x) except as may be set forth on unrecorded Exhibit C, the Master Tenant has no rights, titles or interests in, or with respect to, any investment property, any letters of credit, any electronic chattel paper, any commercial tort claims, any instruments, including promissory notes, or any deposit accounts.

(b) The Master Tenant will not grant, create or permit to exist any Lien on any of the Collateral except for Permitted Liens. To the extent UCC filings or other evidence of liens that are satisfied with the proceeds of or otherwise in connection with the closing of the Loan, such liens and evidence shall be disclosed to Lender and HUD and cleared from title as quickly as possible. The Master Tenant, at the Secured Party's request, will defend the Collateral against

the claims and demands of any individual, unincorporated association, partnership, joint venture, trust, business trust, corporation, limited liability company, institution, entity or any governmental authority (“**Persons**”) at any time claiming any interest in the Collateral.

(c) The Collateral will be used by the Master Tenant only in the operation of the Project. Until an Event of Default (as defined below) occurs, the Master Tenant may have possession of the Collateral and use it in any lawful manner not inconsistent with the Loan Documents, the Master Lease Documents, and any policy of insurance thereon. The Master Tenant will not sell, assign, lease, or otherwise dispose of any of the Collateral without the prior written consent of the Secured Party; however, the Master Tenant will have the right, without the Secured Party's consent, to transfer, sell or dispose of Collateral in the ordinary course of business of operating the Healthcare Facility for the Approved Use as follows: (i) of any inventory or other tangible Collateral provided to residents in the ordinary course of providing services to such residents and (ii) of Collateral that has become obsolete, worn out, or otherwise inappropriate, unfit or unnecessary for use in operating the Healthcare Facility. Such Collateral shall be known as “**Consumed Property.**” Master Tenant shall promptly replace such Consumed Property with other property of reasonably equivalent value as necessary or appropriate to maintain the operation of the Healthcare Facility for the Approved Use in compliance with applicable law and Program Obligations. Replacement personal property shall be free and clear of any Liens except for the Permitted Liens. To the extent of Master Tenant's interest, any such replacement personal property will automatically become a part of the Collateral under this Agreement. The Secured Party's interests in the proceeds of the Collateral (or notification of its interests in the proceeds of the Collateral in financing statements or otherwise) will not be construed as modifying this Agreement or as the Secured Party's consent to the disposition of any Collateral other than as provided in this Agreement.

(d) All tangible Collateral is to be located at the Healthcare Facility, and no tangible Collateral may be removed therefrom without the prior consent of the Secured Party unless the Collateral is (i) Consumed Property under the terms of Section 3(c) above or (ii) being removed in accordance with the terms of Section 3(f) below. Immediately on demand therefor by the Secured Party, the Master Tenant will deliver to the Secured Party any and all evidences of ownership of the Collateral (including certificates of title and applications for title).

(e) The Master Tenant will give the Secured Party not less than 30 days prior written notice of any change of (A) Master Tenant's corporate, partnership, doing business, trade or legal name or (B) the location of any Collateral. Prior to changing its name, the Master Tenant shall provide Secured Party, not less than thirty (30) days prior to the effective date of any name change (i) written notice to the Secured Party of such name change, and (ii) a file-stamped copy of a UCC-3 financing statement that properly effects the name change, which UCC-3 financing statement must be filed and/or recorded in all appropriate filing offices and any other offices where a UCC-1 financing statement was filed in connection with the closing of the Loan. Additionally, the Master Tenant shall not change the location of the Collateral, without the prior written consent of Secured Party, and without taking all such actions necessary to insure such change does not impair or adversely affect Secured Party's Liens.

(b) The Master Tenant will, at its own cost and expense, maintain all of the tangible Collateral in good working condition and make all necessary renewals, repairs,

replacements, additions, betterments and improvements thereto, and, in connection therewith, the Master Tenant may temporarily remove the same, or any part thereof, from the Project if such removal is necessary or advisable in connection with the Operator's fulfilling of its obligations under this Section 3(f) and does not affect the priority of the security interest created hereby.

(c) The Master Tenant will operate or cause the Operator to operate the Healthcare Facility in accordance with, and in all other ways comply with, the Master Tenant's and/or Operator's Regulatory Agreement and Program Obligations (as such term is defined in the Loan Documents). In addition and without limiting the generality of the foregoing, the Master Tenant will deliver to Secured Party copies of all reports, financial statements and other information which the Master Tenant is obligated to provide to HUD pursuant to the Master Tenant's Regulatory Agreement or otherwise pursuant to the Loan Documents or Program Obligations concurrent with the delivery of such reports, financial statements and other information to HUD. In addition, Master Tenant shall provide such other financial statements, reports or other information pertaining to the Project or financial condition of Master Tenant as Secured Party may reasonably request, to Secured Party within (10) days after Secured Party makes such request or such other time frame as may be required under the applicable Loan Document or Program Obligations.

(f) The Master Tenant will not change (i) without thirty (30) days prior notice to the Secured Party, the location of its chief executive office or (ii) without the prior written consent of Secured Party, which shall not be unreasonably withheld, its jurisdiction of organization or its "**location**" (as such term is defined in the UCC) provided that no such change shall be permitted unless Master Tenant has provided all such financing statements or amendments, and/or filed financing statements in such additional jurisdictions, and provided all other assurances necessary to assure the creation, preservation, continuation and/or perfection of Secured Party's Liens.

(g) The Master Tenant will not merge or consolidate with or into any other Person without the prior written consent of Secured Party.

(h) The Master Tenant will not establish any deposit accounts (as such term is defined in the UCC) unless (i) with respect to any proposed deposit account (other than those disclosed on unrecorded Exhibit C) at least thirty (30) days prior written notice of the name and address of the depository bank, the type of account and any other information reasonably requested by the Secured Party is provided to Secured Party and (ii) contemporaneously therewith, if requested by the Secured Party consistent with the Master Tenant's obligations under Section 15, a control agreement in form and substance acceptable to the Secured Party is entered into among the Master Tenant, the Secured Party and the depository bank where the deposit account would be maintained (each a "**Control Agreement**").

The Master Tenant authorizes

and approves of the Secured Party communicating directly with each depository bank that maintains a deposit account for the Master Tenant.

The Master Tenant will maintain one or more separate deposit account(s) into which only Government Payments are deposited (collectively, the “**Government Receivables Accounts**”), and the Master Tenant will not commingle in any Government Receivables Account proceeds of accounts from non-governmental sources with proceeds of accounts owing from governmental sources, including Government Payments.

Prior to allowing any Government Receivables Account to be established, the Master Tenant shall cause a deposit account instruction services agreement in form and substance acceptable to the Secured Party to be entered into with respect to each Government Receivables Account by and among the Operator, or Master Tenant, if applicable, the Secured Party and the depository bank that maintains such Government Receivables Account (each, a “**DAISA**”). The DAISA shall instruct the depository bank to initiate a funds transfer each business day, unless the Secured Party approves otherwise, of all available funds in the applicable Government Receivables Account to a non-Government Receivables Account of the Operator or Master Tenant that is then subject to a Control Agreement. Not less than thirty (30) days prior to the effective date thereof, the Master Tenant will provide or will cause to be provided to the Secured Party a copy of (1) any change to any DAISA, or (2) any new directions with respect to a Government Receivables Account issued to a depository bank maintaining such Government Receivables Account, in each case no later than providing the change or directions to the depository bank.

Unless a default exists under this Agreement or any other Master Lease Document or Loan Document, the Secured Party will not provide notice to the depository bank that is party to a Control Agreement that Secured Party is exercising rights of control in the Master Tenant’s deposit accounts.

(k) Master Tenant will comply with all the terms and provisions of the Master Lease.

4. COMPLIANCE WITH LAWS. The Master Tenant will comply with all applicable federal, state and local laws.

5. TAXES; EXPENSES. The Master Tenant will pay, when due, all taxes, assessments and other charges lawfully and validly levied or assessed on the Collateral or any part thereof. The Master Tenant will pay or reimburse the Secured Party for (i) any and all fees, costs and expenses, of whatever kind and nature, including the fees, expenses and disbursements of the Secured Party's counsel (including but not limited to fees, expenses and disbursements for preparation of documents, making title examinations and rendering opinion letters) which the

Secured Party may incur in connection with filing of any financing statements or other public notices to protect its interests hereunder, the enforcement, preservation, foreclosure, and/or protection of the Secured Party's rights and/or remedies under the Master Lease Documents and Loan Documents, whether incurred through judicial proceedings or otherwise, or in defending or prosecuting any actions or proceedings arising out of or relating to the Master Lease Documents and Loan Documents, and (ii) all filing and recording fees and taxes payable in connection with the transactions contemplated by the Master Lease Documents. All amounts payable by Master Tenant to Secured Party under this Section 5 will be paid by the Master Tenant upon the Secured Party demand therefor.

The Master Tenant will keep, or cause to be kept, accurate and complete records of the Collateral. The Master Tenant will give the Secured Party prompt notice of any new facts which, under the applicable provisions of law, would affect the priority of the security interest granted to the Secured Party herein and of any Event of Default.

6. INSURANCE. To the extent required by Program Obligations, the Master Tenant will purchase and maintain or cause the Operator to purchase and maintain insurance at all times with respect to all tangible Collateral against risks of fire (including so-called extended coverage), theft, vandalism and such other risks as the Secured Party may require, in such form, for such periods and written by such companies as may be satisfactory to the Secured Party, such insurance to be payable to the Secured Party as its interests may appear. All policies of insurance will provide for thirty (30) days advance written notice to the Secured Party of cancellation or any material change in coverages of such insurance. The Master Tenant will furnish, or cause to be furnished to, the Secured Party with certificates or other evidence satisfactory to the Secured Party of compliance with the foregoing insurance provisions.

The Master Tenant will reimburse the Secured Party on its demand for any payment made, or any expense incurred, by the Secured Party pursuant to this Section 8. All of the foregoing sums paid or advanced by the Secured Party will constitute part of the Obligations and will be secured by the Collateral.

9. REMEDIES ON DEFAULT.

(a) Upon the occurrence of an Event of Default, the Secured Party may then, or at any time after the after the occurrence and during the continuation of such Event of Default, upon written notice to Master Tenant (A) declare all Obligations immediately due and payable, and whereupon the Obligations will be due and payable automatically and immediately, without notice or demand, which the Master Tenant expressly waives, and proceed to enforce payment of the Obligations; (B) exercise all of the rights and remedies afforded to the Secured Party (i) pursuant to the terms of the Master Lease Documents and the Loan Documents, (ii) under the UCC, and/or (iii) by law and/or in equity (subject, however, to any limitations imposed by applicable law); (C) collect and receive the proceeds of all Awards (as defined in Exhibit B), the rights of Master Tenant thereto and shares of Master Tenant therein being hereby assigned to the Secured Party, and give proper receipts and acquittances therefor and apply, at its option, the net proceeds thereof, after deducting expenses of collection, as a credit upon any portion, as selected by the Secured Party, of the Obligations; (D) require the Master Tenant to assemble the Collateral and make it available to the Secured Party at a place to be designated by the Secured Party which is reasonably convenient to both parties, and (E) without limiting the provisions of Section 10(a), apply (or instruct another Person to apply) to the Obligations the balance of any deposit account that is part of the Collateral.

(b) Without limitation of those rights and remedies, the Secured Party may, upon written notice to the Master Tenant, take, and publicly or privately sell or convey, full right, title and interest in and to the Collateral, or any part of it, in the name of the Secured Party and/or its designees. Subject to the terms of this Agreement, and subject to any restrictions in applicable law with respect to the Healthcare Assets, the Master Tenant hereby constitutes and appoints the Secured Party as its true and lawful attorney in fact to assign and transfer its interest in any or all of the Collateral if an Event of Default occurs.

(c) If any notice is required by law for the Secured Party to make a sale or other disposition of the Collateral, the Secured Party and the Master Tenant agree that notice will not be unreasonable as to time if given in compliance with this Agreement ten (10) days before any sale or other disposition of the Collateral. All reasonable attorneys' and paralegal fees and other legal expenses incurred by the Secured Party to collect the Obligations, to retake, hold, prepare for sale, and to dispose of the Collateral will be (i) payable to the Secured Party on its demand for payment, (ii) part of the Obligations, and (iii) secured by the Collateral.

(d) The Master Tenant further specifically agrees that, in any exercise of the rights of the Secured Party under this Agreement or under any other Master Lease Document or

Loan Document, (i) any combination of the Collateral and/or any other security for the Obligations may be offered for sale and (ii) all of the Collateral and/or any other security for the Obligations may be sold for one total price, and the proceeds of any such sale accounted for in one account without distinction among the items of security or without assigning to them any proportion of such proceeds, the Master Tenant hereby waiving the application of any doctrine of marshaling.

(e) The Master Tenant shall cooperate, and shall cause the Operator to cooperate, in any legal and lawful manner necessary or required, to permit the Secured Party or its successors and assigns to continue to operate and maintain the Healthcare Facility for the Approved Use in Master Tenant's or Operator's name, place and stead. For this purpose, and to the extent not prohibited by applicable law, Master Tenant irrevocably appoints the Secured Party, its successors and assigns, as Master Tenant's true and lawful attorney-in-fact, to do all things necessary or required by the state in which the Project is located or any other government entity with jurisdiction over the Project, including, but not limited to, the provision of any and all information and data, the payment of fees and other charges, and the execution of documents, all in the name of the Master Tenant. This power is coupled with an interest.

10. NO WAIVER BY SECURED PARTY; CUMULATIVE RIGHTS.

(a) No waiver by the Secured Party of any Event of Default or default under this Agreement or any of the other Master Lease Documents or any of the other Loan Documents will be effective unless such waiver is in writing and signed by duly authorized representatives of the Secured Party. No waiver by the Secured Party of any Event of Default or default under this Agreement or any of the other Master Lease Documents or any of the other Loan Documents will operate as a waiver of any other Event of Default or default or of the same Event of Default or default on a future occasion. The Secured Party may delay in exercising or omit to exercise any right or remedy under this Agreement, any other Master Lease Documents or any of the other Loan Documents or by law or equity provided without waiving that or any past, present or future right or remedy. All rights and remedies of the Secured Party in this Agreement and the other Master Lease Documents or any of the other Loan Documents will be cumulative, and none of these rights or remedies will be exclusive of any other right or remedy allowed at law or in equity or in any other Master Lease Documents or any of the other Loan Documents, and all of these rights and remedies may be exercised and enforced concurrently.

(b) Neither the Master Tenant nor any other persons interested in the Collateral or the proceeds of the Collateral shall have any right to require the Secured Party first to resort to or proceed personally against any other Person or to proceed against any other collateral security, or to give priority or preference to any item of Collateral, or to proceed upon any guaranty, prior to exercising its rights hereunder. No renewal or extension of the Master Lease or Loan, no release or surrender of the Collateral and/or any other security for the Obligations, no release of any obligor with respect to the Obligations, and no delay by the Secured Party in enforcing the Obligations or exercising any right or power with respect to the Obligations shall affect the Secured Party's rights with respect to the Collateral.

11. BINDING EFFECT. All rights and remedies of the Secured Party under this Agreement will inure to the benefit of the Secured Party's successors and assigns; and all

agreements, obligations, and duties of the Master Tenant will bind its heirs, personal representatives and permitted successors and assigns; however, the Master Tenant may not assign this Agreement or any of its rights under this Agreement or delegate any of its duties or obligations under this Agreement without the consent of the Secured Party.

12. GOVERNING LAW; CONSTRUCTION; WAIVER OF TRIAL BY JURY.

(a) This Agreement and all rights and obligations under this Agreement, including matters of construction, validity and performance, will be governed by the laws of the State of _____ in which the Healthcare Facility is located (the “State”), except that the law controlling the perfection and priority of Liens of the Secured Party on any deposit account as original collateral designated in a DACA may be governed by the Uniform Commercial Code adopted in the jurisdiction of the depository bank, within the meaning of Section 9-104 of the UCC. If any term of this Agreement is found to be invalid by a court with jurisdiction under the laws of the State or laws of mandatory application, then the invalid term will be considered excluded from this Agreement and will not invalidate the remaining terms of this Agreement. All uncapitalized terms used herein which are now or hereafter defined in the UCC, will have the same meaning herein as in the UCC unless the context indicates otherwise. Every power given herein is coupled with an interest and is irrevocable by death, dissolution or otherwise. The definition of any document includes all schedules, attachments and exhibits to that document, and all renewals, extensions, supplements, amendments, modifications, restatements and consolidations of that document, and any document given in substitution for or replacement of that document. The term “including” is used by way of example only and not by way of limitation, and the singular includes the plural and conversely. The captions or headings contained in this Agreement are for reference purposes only and will not affect or relate to the interpretation of this Agreement.

(b) AS A SPECIFICALLY BARGAINED INDUCEMENT FOR THE SECURED PARTY TO ENTER INTO THE AGREEMENT AND EXTEND CREDIT TO BORROWER, AND TO THE EXTENT PERMITTED BY APPLICABLE STATE LAW SECURED PARTY AND MASTER TENANT EACH HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVES ANY AND ALL RIGHT(S) TO A TRIAL BY JURY FOR ANY CAUSE OF ACTION, CLAIM OR DEFENSE RELATING TO, RESULTING FROM OR ARISING OUT OF ANY OF THE MASTER LEASE OR LOAN AND/OR ANY TRANSACTIONS, RIGHTS AND/OR OBLIGATIONS CONTEMPLATED BY THIS AGREEMENT AND/OR ANY OF THE OTHER MASTER LEASE DOCUMENTS OR LOAN DOCUMENTS TO THE FULLEST EXTENT PERMITTED BY LAW. MASTER TENANT FURTHER ACKNOWLEDGES THAT SUCH WAIVER OF THE RIGHT TO A TRIAL BY JURY IS MADE AFTER CONSULTATION WITH COUNSEL.

13. TERM OF AGREEMENT. The term of this Agreement will begin on the date of this Agreement and continue in full force and effect and be binding on the Master Tenant until the date that all of the Obligations are fully and finally paid and satisfied.

14. PERFECTION; FURTHER ASSURANCES.

(a) The Master Tenant agrees to comply with all applicable laws and requirements in order to grant to the Secured Party a valid, perfected first Lien on the Collateral. At any time and from time to time, the Master Tenant, on request of the Secured Party, will give, execute, file and/or record any notice, financing statement, instrument, document or agreement that the Secured Party may consider necessary or desirable to create, preserve, continue, perfect or validate any security interest or other Lien granted under this Agreement or which the Secured Party may consider necessary or desirable to exercise or enforce its rights under this Agreement. Master Tenant shall, at its expense, provide Secured Party upon its request (and in any event, within 45 days of the date hereof) with one or more UCC search reports with respect to each office in which a UCC filing may be required in order for Secured Party to validly perfect its security interest in any or all Collateral, confirming that a UCC financing statement has been filed in such office in favor of Secured Party and that there are no other UCC financing statements in effect with respect to any of the Collateral except those in favor of Secured Party and Permitted Liens. The Master Tenant shall pay all filing costs, and all costs and expenses of any record searches for financing statements. Without limiting the generality of the foregoing, the Secured Party is authorized to file with respect to the Collateral one or more financing statements or other documents without the signature of the Master Tenant and to name therein the Master Tenant as debtor and the Secured Party and/or HUD as secured parties; and correct or complete, or cause to be corrected or completed, any financing statements or other such documents as have been filed naming the Master Tenant as debtor and the Secured Party and/or HUD, as their interests may appear, as secured parties. Master Tenant hereby authenticates such filings.

(b) The Master Tenant hereby appoints the Secured Party as its attorney-in-fact and authorizes the Secured Party, acting alone on behalf of the Master Tenant, to execute, acknowledge, deliver, file and/or record any and all documents requiring execution by the Master Tenant and necessary or desirable to effectuate or facilitate the purposes of this Agreement and/or the obligations or covenants of the Master Tenant under this Agreement. The power of attorney granted hereby is coupled with an interest and is irrevocable. The Secured Party is also authorized by the Master Tenant to give notice to any person that the Secured Party may consider necessary or desirable under applicable law to preserve, perfect or protect the Secured Party's and or HUD's interests in the Collateral. Without limiting the generality of the foregoing, with respect to any of the Collateral for which control of such Collateral is a method of perfection under the UCC, including all of the Master Tenant's rights, titles and interests in deposit accounts, investment property, electronic chattel paper and letter-of-credit rights, the Master Tenant will, on Secured Party's request, cause to be executed by each person that the Secured Party determines is appropriate, a Control Agreement in a form acceptable to the Secured Party.

(c) Without limiting the generality of the foregoing, with respect to any of the Collateral for which control of such Collateral is a method of perfection under the UCC, including all of the Master Tenant's rights, titles and interests in deposit accounts, investment property, electronic chattel paper and letter-of-credit rights, the Master Tenant shall enter into a Control Agreement in a form acceptable to the Secured Party, that grants control (as that term is defined in the UCC) over each deposit account of Master Tenant that is included in the Collateral. Further, Master Tenant covenants that it shall obtain a Control Agreement over any new deposit account it obtains, unless Secured Party permits otherwise. Master Tenant also

covenants that it shall not terminate any Control Agreement without the prior written consent of the Secured Party. In the event that Master Tenant receives notice that the Control Agreement is to be or has been terminated by the depository institution that is a party to such Control Agreement, the Master Tenant shall promptly make alternative arrangements to establish a new Control Agreement with the prior written consent of the Secured Party and shall direct all future receivables to be paid into the deposit account(s) specified in such new Control Agreement.

(d) If Master Tenant takes any action that negates, invalidates or otherwise adversely impacts the effectiveness of the financing statements filed pursuant to this Section, except such actions permitted in this Agreement, Master Tenant shall immediately notify Secured Party of such action and cooperate with Secured Party to the extent necessary to file any amendments or additional financing statements.

2. INTEREST. Any amounts payable by the Master Tenant under this Agreement will bear interest at the the lesser of (i) the rate of interest provided in the Note or (ii) the maximum rate permitted by Program Obligations or applicable law, from the date on which such amounts are payable under this Agreement until the date on which such payments are made by the Master Tenant to the Secured Party; however, nothing in this Agreement will be deemed to give to the Master Tenant the right to withhold payment in consideration of the payment of such interest.

15. DELIVERY OF NOTICES. All notices must be in writing and sent (a) in person, (b) by certified or registered mail or (c) by overnight delivery carrier for next day delivery in each case to the address listed in the opening paragraph of this Agreement (or if notice of a new address is given in accordance with this Agreement, the new address). Notice given in any other manner will not be considered delivered or given unless and until actually received. A notice period will start (i) if mailed, three business days after notice was sent by certified or registered mail, (ii) the next business day after being sent by overnight delivery, and (iii) the day the notice was delivered in person. Notwithstanding the foregoing, if applicable law requires or permits a particular method of notice in order to enforce the assignment of leases and/or rents hereunder, then a notice given in compliance therewith shall also be deemed effective.

16. REVIVAL OF SECURITY INTEREST. If the Master Tenant makes a payment or payments to the Secured Party (or the Secured Party receives any payment or proceeds of the Collateral) that are subsequently voided, avoided, set aside, annulled, or disregarded under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of the payment or proceeds received, the Obligations or part intended to be satisfied will be revived and will continue in full force and effect as if these payment(s) or proceeds had not been received by the Secured Party, and the security interest granted herein shall be enforceable as to such Obligations as fully as if such payments had never been made.

17. CLAIMS AGAINST SECURED PARTY.

(a) Notification. The Secured Party shall not be in default under this Agreement, unless a written notice specifically setting forth the claim of the Master Tenant shall have been given to Secured Party within one hundred eighty (180) days after the occurrence of the event

which the Master Tenant alleges gave rise to such claim and the Secured Party does not remedy or cure the default, if any, with reasonable promptness thereafter.

(b) Limitations. In no event, however, shall the Secured Party be liable to the Master Tenant, or to any other party claiming through the Master Tenant, for any damages (other than actual, direct, compensatory damages sustained by the Operator as a result of such default), including without limitation, indirect, speculative, consequential or punitive damages, whatever the nature of the breach by the Secured Party of its obligations. In no event shall the Secured Party be liable to the Master Tenant, or to any other party claiming through the Master Tenant, unless a written notice specifically setting forth the nature of the claim shall have been given to the Secured Party within the time period specified above.

18. WAIVERS.

(a) No act or thing need occur to establish the liability of the Master Tenant hereunder, and no act or thing, except full payment and discharge of all of the Obligations, shall in any way exonerate the Master Tenant or modify, reduce, limit or release the liability of the Master Tenant hereunder.

(b) The Master Tenant will not exercise or enforce any right of contribution, reimbursement, recourse or subrogation available to the Master Tenant against any person liable for payment of the Obligations, or as to any collateral security therefor, unless and until all of the Obligations shall have been fully paid and discharged.

(c) Whether or not any existing relationship between the Master Tenant and the Borrower has been changed or ended and whether or not this Agreement has been terminated, the Secured Party may, but shall not be obligated to, enter into transactions resulting in the creation or continuance of Obligations without any consent or approval by the Master Tenant and without any notice to the Master Tenant. The liability of the Master Tenant shall not be affected or impaired by any of the following acts or things (which the Secured Party is expressly authorized to do, omit or suffer from time to time, both before and after termination of this Agreement, without notice to or consent or approval by the Master Tenant): (i) any acceptance of collateral security, guarantors, accommodation parties or sureties for any or all Obligations; (ii) any one or more extensions or renewals of Obligations (whether or not for longer than the original period) or any modification of the interest rates, maturities or other contractual terms applicable to any Obligations; (iii) any waiver or indulgence granted to Borrower, any delay or lack of diligence in the enforcement of Obligations, or any failure to institute proceedings, file a claim, give any required notices or otherwise protect any Obligations; (iv) any full or partial release of, settlement with, or agreement not to sue any person liable in respect of any Obligations; (v) any discharge of any evidence of Obligations or the acceptance of any instrument in renewal thereof of substitution therefor; (vi) any failure to obtain collateral security (including rights of setoff) for Obligations, or to see to the proper or sufficient creation and perfection thereof, or to establish the priority thereof, or to protect, insure, or enforce any collateral security; or any modification, substitution, discharge, impairment, or loss of any collateral security; (vii) any foreclosure or enforcement of any collateral security; (viii) any transfer of any Obligations or any evidence thereof; (ix) any order of application of any payments of credits upon Obligations;

and/or (x) any election by Secured Party under §1111(b)(2) of the United States Bankruptcy Code.

(d) The Master Tenant waives any and all defenses, claims and discharges of any obligor, pertaining to Obligations, except the defense of discharge by payment in full. Without limiting the generality of the foregoing, the Master Tenant will not assert, plead or enforce against Secured Party any defense of waiver, release, discharge in bankruptcy, statute of limitations, res judicata, statute of frauds, anti-deficiency statute, fraud, incapacity, minority, usury, illegality or unenforceability which may be available to any person liable in respect of any indebtedness, or any setoff available against Secured Party to any such person, whether or not on account of a related transaction. The Master Tenant expressly agrees that the Master Tenant shall be and remain liable, to the extent of the Collateral, for any deficiency remaining after foreclosure of any security interest securing the Obligations, whether or not the liability of any obligor for such deficiency is discharged pursuant to statute or judicial decision.

(e) The Master Tenant waives presentment, demand for payment, notice of dishonor or nonpayment, and protest of any instrument evidencing the Obligations. To the extent of the Collateral, this Agreement constitutes an absolute, unlimited, unconditional and continuing guaranty of payment, not collection. The Secured Party shall not be required first to resort for payment of the Obligations to any persons or their properties, or first to enforce, realize upon or exhaust any collateral security for Obligations, before enforcing this Agreement.

(f) The liability of the Master Tenant under this Agreement is in addition to and shall be cumulative with all other liabilities of the Master Tenant to Secured Party as obligor or otherwise, without any limitation as to amount, and all other liabilities of any other Person who guarantees all or any portion of the Obligations, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

(g) This Agreement shall be effective upon delivery to Secured Party, without further act, condition or acceptance by Secured Party. Any invalidity or unenforceability of any provision of application of this Agreement shall not affect other lawful provisions and application hereof, and to this end the provisions of this Agreement are declared to be severable.

(h) Master Tenant hereby covenants that this Agreement will not be discharged except by complete performance of the obligations contained in this Agreement. Master Tenant waives all setoffs and counterclaims and all presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, and notices of acceptance of, and reliance on, this Agreement. Master Tenant further waives all (i) notices of the existence, creation or incurring of new or additional indebtedness, arising either from additional loans extended to Master Tenant or Borrower, or otherwise, (ii) notices that the principal amount, or any portion thereof (and any interest thereon), of the Loan or any of the other Obligations is due, (iii) notices of any and all proceedings to collect from Master Tenant and/or Borrower of all or any part of the Obligations, or from anyone else, (iv), to the extent permitted by law, notices of exchange, sale, surrender or other handling of any security or collateral given to Secured Party to secure payment of all or any part of the Obligations, and (v) defenses based on suretyship or impairment of collateral.

19. MISCELLANEOUS.

(a) This Agreement is intended to be supplemental to and not in substitution or in derogation of any security agreement contained in any other Loan Document.

(b) In any instance where the consent or approval of the Secured Party may be given or is required or any determination is to be rendered by the Secured Party hereunder, the granting, withholding or denial of such consent or approval and the rendering of such determination shall be made or exercised by the Secured Party at its sole and exclusive option.

(c) It is understood and agreed that no judgment or decree which may be entered on any debt secured or intended to be secured by the Security Instrument shall operate to abrogate or lessen the effect of this Agreement, but that this Agreement shall continue in full force and effect until the payment and discharge of the Obligations.

(d) This Agreement represents the entire agreement between the Secured Party and the Master Tenant with respect to the subject matter of this Agreement and supersedes all previous agreements, negotiations, and understandings with respect to the subject matter of this Agreement. This Agreement may not be amended, altered or changed other than in a writing signed by the Secured Party and the Master Tenant. The Master Tenant's warranties and representations in this Agreement will be treated as being continuing warranties and representations, made by the Master Tenant with the same effect as though the representations and warranties had been made again on, and as of, each day of the term of this Agreement.

(e) This Agreement may be executed in several counterparts and each counterpart will be considered an original of this Agreement.

20. RIGHTS OF HUD.

(a) Master Tenant and Secured Party hereby agree that HUD shall be an additional secured party under this Agreement together with Secured Party, as their interests may appear, and that HUD shall be listed on the UCC Financing Statements to be filed contemporaneously herewith; provided, however, that nothing herein or in the UCC Financing Statements shall require the execution, now or at any future time, of any amendment, extension, or other document by HUD.

(b) To the extent any party herein is required or desires to give notice to HUD hereunder, such notice shall be delivered in accordance with the provisions hereof, as follows: U.S. Department of Housing and Urban Development, c/o Office of Residential Care Facilities, 451 7th Street S.W., Washington, DC 20410. Such notice shall include the FHA project number.

IN WITNESS WHEREOF, the Master Tenant and the Secured Party have signed this Agreement as of the date in the first paragraph of this Agreement.
