Electronic Stakeholder Survey: 9-Month Follow-Up

Greetings from IPI!

We would like to ask you to take a few minutes to complete a 9-month follow up survey to the IPI event you attended. This survey will help us learn if and how the event has impacted your work in the months following and help us learn how to improve future sessions. If you could complete this very brief survey in the next week, it would be much appreciated.

Simply click on this survey link and answer the five brief questions. We appreciate your time. Your participation is voluntary and can be submitted anonymously.

HUD's Office for International and Philanthropic Innovation (IPI) works to build new capacity and knowledge within HUD by providing a venue for staff and partners to access the best available evidence, innovations, and lessons from the philanthropic and international sectors.
