- N = 50 per cell between 45 and 65

Introduction

Panel Company info here, if any

Thank you for agreeing to take part in this survey. We are going to be asking your opinion about an online ad.

Please do not use the refresh, back or forward buttons on your browser during the survey, and do not use your keyboard except when you are asked to type in a response. Instead, please just use your mouse and any buttons within the survey itself.

If possible, please complete the survey in one sitting, since you will not be able to access it at a later time.

Please maximize this window before you continue.

This voluntary survey seeks to understand consumer opinions, attitudes, and beliefs about financial products and services. Your responses will assist the survey sponsor to develop services to provide better financial information to consumers. The survey takes about 20 minutes to complete. Thank you in advance for your participation!

Responses to this data collection will be used only for statistical purposes. The reports prepared for this study will summarize findings across the sample and will not associate responses with a specific organization or individual. We will not provide information that identifies you or your affiliation to anyone outside the study team, except as required by law.
