Reasonable Accommodation

Reasonable Accommodation Requests: If you indicate a need for reasonable accommodation(s) to participate in the on-line assessment, please DO NOT proceed with the on-line assessment until you receive a response from us. This on-line application system will take you through the remaining screens and is designed to take all applications directly into the on-line-assessment. If, however, you choose to continue and take the on-line assessment before we can review your claim for an accommodation, your request for such accommodation(s) will be void and you will be scored based on your performance without consideration of any accommodation request.

We will be reviewing all applicants who make a request for reasonable accommodation(s) for the on-line assessment and will adjudicate any such requests on a case-by-case basis. You may be contacted to provide additional supporting documentation in order for us to make a reasonable accommodation. Some accommodations may require adjustments to the on-line assessment (e.g., larger font size for visually impaired).

If we are able to accommodate your request, you will be provided with a limited window of opportunity to participate in the on-line assessment and will need to complete the on-line assessment within the time provided. All applicants will need to complete the on-line assessment to determine their eligibility for selection as Semi-Finalist.

For additional information about our assessment process (both the on-line and in-person assessments), please review the "2013 PMF Assessment Preparation Guide" under the "Become a PMF/Assessment Process" section on the PMF website at <http://www.pmf.gov>.

Please indicate if you require a reasonable accommodation for either the on-line or in-person assessment below.

Once you complete this section, continue to the next page of the application where you will attach supporting documentation.

On-line Assessment

As a part of the Presidential Management Fellows (PMF) application process, you will need to complete three different sections of the assessment: 1) situational judgment videos, 2) a management development questionnaire, and 3) essay questions before submitting your application for the program.

You should not take the on-line assessment using a hand-held device (cell phone or tablet). The optimal system configuration for taking the on-line assessment is:

- PC Windows XP through Windows 7
- Internet Explorer 7 through 9
- Adobe Flash Enabled

The situational judgment videos and management development questionnaire should take no longer than 60 minutes to complete. Please complete these two sections of the assessment in a single sitting for continuity of your thought process and the best results. Try to take the assessment in a distraction-free environment so you may thoughtfully consider the items. The assessment is not timed; you may take as long as you like to answer each question. If you absolutely must stop before completing the first two sections, you will need to re-enter and log in through the application. You will need to advance through the application pages until you reach the assessment link which will take you back to where you left off in the assessment.

Once you finish the first two sections, you will return to the PMF application website where you will answer three essay questions. The essay questions are not timed. You aren't finished yet! You have two more critical steps – Certify your information for accuracy and review and submit your application. You must complete the entire process and submit your application prior to the closing date of the announcement.

WARNING:

- **Current Finalists** - if you click the "Take On-line Assessment" button, you will relinquish your current status as a Finalist.
- **Individuals Requesting Reasonable Accommodations for the on-line assessment** - if you click the "Take On-line Assessment" button, you will relinquish your request for accommodation for the on-line assessment.

While we adjudicate your reasonable accommodation request, proceed with submitting the remainder of your application by clicking the "Next" button below.

Location Preferences

Preferred Geographic Location: Please select the geographic location or locations in which you would like to serve if appointed as a PMF; you may choose more than one. This preference is only used when agencies search for Finalists in a particular geographic location. Your answer(s) does not impact where a Finalist may accept an appointment. For purposes of this application, the default is "Anywhere, U.S." Choosing "U.S. Territories, PR" includes all U.S. Territories. Appointments overseas are extremely rare. Appointments are made throughout the United States; however, the majority are made in the Washington, DC, metro area. Selections are final and cannot be altered at a later date.

NOTE: Provided below are the States that are included in each of the five regional groupings.

* 4. Preferred Geographic Location Regions:

Answer: Anywhere, U.S.

Preferred Assessment Location: The assessment process is explained under the "Become a PMF" section at www.pmf.gov, including an Assessment Preparation Guide. If you are selected as a semi-finalist, you will be invited to select one of six in-person assessment center locations to participate in the next phase of the assessment which will be conducted sometime between January to February 2013. Please select the location that will be most convenient for you at that time. The assessment notice will contain instructions on how to reschedule, if necessary, and directions to the center. Travel to the location is at the applicant's expense. The location information is being collected at this time for assessment center planning purposes. We encourage you to pick your preferred assessment center location so that OPM can accommodate your needs.

* 5. Please choose your preferred assessment location from the radio buttons menu provided below.

Answer: Atlanta, GA

Reasonable Accommodation

Reasonable Accommodation Requests: If you indicate a need for reasonable accommodation(s) to participate in the on-line assessment, please DO NOT proceed with the on-line assessment until you receive a response from us. This on-line application system will take you through the remaining screens and is designed to take all applications directly into the on-line assessment. If, however, you choose to continue and take the on-line assessment before we can review your claim for an accommodation, your request for such accommodation(s) will be void and you will be scored based on your performance without consideration of any accommodation request.

We will be reviewing all applicants who make a request for reasonable accommodation(s) for the on-line assessment and will adjudicate any such requests on a case-by-case basis. You may be contacted to provide additional supporting documentation in order for us to make a reasonable accommodation. Some accommodations may require adjustments to the on-line assessment (e.g., larger font size for visually impaired).

If we are able to accommodate your request, you will be provided with a limited window of opportunity to participate in the on-line assessment and will need to complete the on-line assessment within the time provided. All applicants will need to complete the on-line assessment to determine their eligibility for selection as Semi-Finalist.

For additional information about our assessment process (both the on-line and in-person assessments), please review the "2013 PMF Assessment Preparation Guide" under the "Become a PMF/Assessment Process" section on the PMF website at <http://www.pmf.gov>.

Please indicate if you require a reasonable accommodation for either the on-line or in-person assessment below.
Once you complete this section, continue to the next page of the application where you will attach supporting documentation.
