

Research Study

Do you have a child ages **11-13 months** OR **2-5 years**?

We are recruiting **parents of infants and preschool aged children** to participate in a study that collects information on diet.

To thank you for your time, you may receive a gift card after completing this study.

For more information, call 410-614-4068

Principal Investigator: Frank Witter, M.D.; IRB# NA 00043877

Approved May 10, 2012
