4. We are calling because we have not yet received your completed 2012 Triennial questionnaires. While your participation is voluntary, it is important that women in the Sister Study complete these forms so we can learn how the environmental and lifestyle factors you already told us about affect changes in health, including why some women develop breast cancer. We hope you will complete these forms soon. You can complete them over the phone now or at a more convenient time or you can complete them yourselves and return them by mail. Will you be able to complete the questionnaires now or some time soon?
