### 2013 Generation Health Study Survey

Public reporting burden for this collection of information is estimated to average 35 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0610). Do not return the completed form to this address.

This survey asks about your health. A participant in our study has recruited you to help us by completing this survey. You have agreed to participate in this one-time survey. The information you give will be used to improve the health of young adults like you.

This survey is confidential; what you say on this survey will not be revealed to anyone else. You will be identified by a special ID number. Make sure you read every question. You do not have to answer any question that makes you feel uncomfortable. Answer the questions based on what you really do, think, and feel.

For the next questions, think about from when you first met until now, that is, the ENTIRE TIME you have been (or were) together with this person.

Never 1-2 times 3-5 times 6 or more times

**How often**

Has this person hit you **out of self defense**?

At present, how often do you drink anything alcoholic, such as beer, wine, or hard liquor like vodka or rum? Throughout these questions, by a "drink," we mean a can or bottle of beer, a glass of wine or a wine cooler, a shot of liquor, or a mixed drink with liquor in it. Please do not include any time when you only had a sip or two from a drink.
