SUMMER INTERNSHIP PROGRAM

OMB No. 0925-0299 Expiration Date 03/31/2014 Respondent Burden

PROGRAM APPLICATION

<u>Instructions</u>: Before you begin, you may want to review some <u>helpful hints</u> on using this electronic form and our <u>privacy statement</u>.

Eligibility Criteria:

- 1. Candidates must be enrolled at least half-time in an accredited U.S. high school, college, or university. Individuals who will be enrolled in the fall of 2013 are also eligible to apply.
- 2. Candidates must be U.S. citizens or permanent residents.
- 3. Candidates must be 16-years of age or older at the time they begin work at the NIH.

Application Tips:

This form allows you to save a partially completed application. To take advantage of this feature:

- Enter as much information into the form as you would like. Note that you must complete certain fields—Name, E-mail Address, Month/Day of Birth, and, Phone—in order to save a partial application.
- Press "Save Partial Application & Quit" to save the information you have entered thus far. You will have to return later to complete your application.
- When you first submit your partial application, you will receive an e-mail message containing instructions for accessing the online tool that allows you to review, modify, and complete your application.

Only **completed** applications are available for review by NIH investigators and administrators; partial applications are **not** accessible by NIH investigators. Once you complete your application, press "Preview Completed Application." You will be taken to a page displaying the information you have provided. **To submit your completed application, you must select the "Save" button on the Preview page.**

IMPORTANT NOTE: The deadline for receipt of completed applications is **March 1**, **2013** (11:59 p.m., Eastern Standard Time). Applications that are incomplete after the March 1 deadline will not receive further consideration.

- 1. Please read the "Summer Internship Program page" and ""SIP Frequently Asked Questions" before beginning your online application.
- 2. Be sure that the e-mail addresses you provide for your references are accurate. Incorrect e-mail addresses will delay the processing of your application and could result in your application's not receiving full consideration.
- 3. Please note that this form accepts **plain text** inputs only. This means that special characters and formatting such as bullets, "smart quotes," bold or italic fonts, Greek letters, etc., will be lost or altered. To ensure your data appear as you intend, compose your inputs to the longer fields on this form using a plain text editor (e.g., Notepad, for PC users, or TextEdit, for Mac users). In place of special formatting, you will need to rely on the use of capital letters, white space, asterisks, and other standard keyboard characters.
- 4. Proofread your application thoroughly for accuracy and completeness; false or inaccurate information may be grounds for denying your candidacy or removing you from the program.
- 5. Complete your application as early as possible and ensure that your references submit their letters promptly using our online

system.

6. Letters of recommendation are due no later than March 15, 2013, at 11:30 pm EDT. We will not accept letters after that time.

RESPONDENT BURDEN

Back to Previous Page

Public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892–7974, ATTN: PRA 0925–0299. Do not return the completed form to this address.

Collection of this information is authorized under sections 241, 242l, 282(b)(10), 282(b)(13), 284(b)(1)(c), and 284(b)(1)(K) of title 42 of the United States Code (USC), and Part 61, Subpart A and Part 63 of title 42 of the Code of Federal Regulations (CFR). The primary use of this information is to evaluate your qualifications for research training at the National Institutes of Health. Additional disclosures may be made to law enforcement agencies concerning violations of law or regulation. Application for this program is voluntary, however, in order for us to process your application, you must complete the required fields.
