

Application for New and Expanding Medicare Prescription D
E

Comments pr

Pg. # the Regulation	Section
MAPD: pg. 31; PDP: pg. 31	MA-PD: 3.1.1; PDP: 3.1.1

provided on behalf of UnitedHealthcare for:
Drug Plans and Medicare Advantage Prescription Drug (MA-PD) including Cost Plans and
Employer Group Waiver Plans
9/4/2012

Description of Issue/Concern	Suggested Revision/Recommended Comment
CMS requires that applicant attest that it doesn't have any covered persons that were part of a CMS contract after June 6th, 2011 that non-renewed or terminated.	While we have access to organizations we have non-renewed/terminated, we don't have that same information for other plans. We request that CMS provide a list of contracts that fit the description of these conditions.
