

Survey of State Criminal History Information Systems, 2012

Since 1989, the *Survey of State Criminal History Information Systems* has been used to collect the nation's most complete, comprehensive and relevant data on the number and status of state-maintained criminal history records and on the increasing number of operations and services involving non-criminal justice background checks provided by the state repositories. This data collection is supported by Cooperative Agreement No. 2011-MU-MU-K054 awarded by the Bureau of Justice Statistics, Office of Justice Programs, U.S. Department of Justice. As in previous years, response to this survey is voluntary.

Respondents using the online survey tool, accessible at (insert link), to enter 2012 data can view previously submitted 2010 data for comparison purposes. Where applicable, your state's 2010 responses are displayed in color within each section of the online survey. It is hoped that this information will assist respondents in completing the survey more accurately and efficiently. **The password to gain access to your state's online survey is provided in the cover letter.** If you have any questions or comments, please contact SEARCH staff Dennis DeBacco at 916-392-2550 ext. 200, email dennis@search.org.

If more convenient, you may print the survey sections, complete them manually, and fax (916-392-8440) or mail them to the attention of Dennis DeBacco at SEARCH, 7311 Greenhaven Drive, Suite 270, Sacramento, CA 95831. **The deadline for survey submission is (insert date).**

The survey is divided into 5 sections, each of which may be submitted independently and not necessarily in the order presented. This was done so that different people on each repository's staff may submit the data for which they are responsible. **Repository directors are responsible to see that the survey is submitted in its entirety.** Please note the following:

1. All reported data should be for calendar year 2012, or as of December 31, 2012.
2. The term "felony" includes any crime classified as a felony under your state's laws. These offenses are generally punishable by a term of incarceration in excess of one year. If your state's laws do not use the term "felony," please substitute functional equivalents, such as class 1, 2, 3 and 4 offenses in New Jersey and class A, B and C offenses in Maine.
3. Questions that seek responses based on a "legal requirement" refer *only* to a *state statute* or a *state administrative regulation having the force of law*.
4. If additional space is needed, please use the "Additional Comments" area at the end of each section.
5. Please use the "Additional Comments" area at the end of each section to identify questions for which "no data is available."
6. If a question is not applicable to your repository, please indicate "NA" in the "Additional Comments" area at the end of each section.

Burden Statement

Under the Paperwork Reduction Act, we cannot ask you to respond to a collection of information unless it displays a currently valid OMB control number. The survey will be sent to criminal history repositories in 56 jurisdictions, including the 50 States, the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico and the U.S. Virgin Islands. The average time required for each agency to complete the survey is estimated at 6.3 hours. Send comments

regarding this burden estimate or any aspect of this survey, including suggestions for reducing this burden, to the Director, Bureau of Justice Statistics, 810 Seventh Street, NW, Washington DC 20531. Do not send your completed form to this address.
