

**SUPPORTING STATEMENT
(Form 1120-W)
OMB #1545-0975**

1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

Under section 6655 of the Internal Revenue Code, a corporation with an income tax liability of \$500 or more must make four required installments of estimated tax during the tax year or be subject to a penalty for failure to pay estimated income tax. Form 1120-W is used by corporations to figure the estimated income tax and the amount of each required installment.

2. USE OF DATA

Form 1120-W is a worksheet for taxpayers' use. It is not to be filed with the Internal Revenue Service.

3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

Form 1120-W cannot be filed electronically, since its relatively low volume does not justify the cost electronic enabling.

4. EFFORTS TO IDENTIFY DUPLICATION

We have attempted to eliminate duplication within the agency wherever possible.

5. METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER SMALL ENTITIES

Not applicable.

6. CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL PROGRAMS OR POLICY ACTIVITIES

Not applicable.

7. SPECIAL CIRCUMSTANCES REQUIRING DATA COLLECTION TO BE INCONSISTENT WITH GUIDELINES IN 5 CFR 1320.5(d)(2)

Not applicable.

8. CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY OF INSTRUCTIONS AND FORMS, AND DATA ELEMENTS

Periodic meetings are held between IRS personnel and representatives of the American Bar Association, the National Society of Public Accountants, the American Institute of Certified Public Accountants, and other professional groups to discuss tax law and tax forms. During

these meetings, there is an opportunity for those attending to make comments regarding Form 1120-W.

In response to the **Federal Register** notice (77 FR 60025), dated October 1, 2012, we received no comments during the comment period regarding Form 1120-W.

9. EXPLANATION OF DECISION TO PROVIDE ANY PAYMENT OR GIFT TO RESPONDENTS

Not applicable.

10. ASSURANCE OF CONFIDENTIALITY OF RESPONSES

Generally, tax returns and tax return information are confidential as required by 26 USC 6103.

11. JUSTIFICATION OF SENSITIVE QUESTIONS

Not applicable.

12. ESTIMATED BURDEN OF INFORMATION COLLECTION

The burden estimate is as follows:

	# Respondents	# Annual Responses	Total Annual Responses	Reporting	Record-keeping	Hours Per Response	Total Burden
1120-W	900,000	1	894,120	3.43	10.76	14.19	12,687,563
Part I	140	1	140	2.44	24.62	27.06	3,789
Part II	2,800	1	2,800	1.42	12.44	13.86	38,808
Part III	2,940	1	2,940	0.30	6.22	6.52	19,169
Total	900,000	1.00	900,000.00			14.17	12,749,329

Estimates of the annualized cost to respondents for the hour burdens shown are not available at this time.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

As suggested by OMB, our **Federal Register** notice dated October 1, 2012, requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any response from taxpayers on this subject. As a result, estimates of the cost burdens are not available at this time.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

The primary cost to the government consists of the cost of printing Form 1120-W. We estimate that the cost of printing the form is \$77,260.

15. REASONS FOR CHANGE IN BURDEN

Three ICs were removed resulting in a change to the burden hours. The burden captured in the removed ICs was already covered in the single IC for the 1120-W, so they represented double-counted hours. Their removal reflects a more accurate calculation of the burden for this collection.

This revision will decrease the total burden by 83,437 hours; for a total of 12,749,239 hours requested.

16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

Not applicable.

17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE

See attachment.

18. EXCEPTIONS TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I

Not applicable.

Note: The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

OMB EXPIRATION DATE

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplies owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own expense. Some businesses print complex and expensive marginally punched continuous versions, at their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
