If your department is applying for both activities, you have a choice of dividing your narrative into two separate parts and addressing each activity or combining your requests into one narrative statement. If you choose to combine your requests into one narrative, you should be sure to discuss all items required for both the Hiring of Firefighters Activity and the Recruitment and Retention of Volunteer Firefighters Activity (listed on page 20).

The Narrative Statement (project description) for the <u>Volunteer Recruitment and</u> <u>Retention Activity</u> must include the following:

 community. Your description should include whether you are seeking to comply
 with NFPA 1710 or 1720 as identified in the 2008 SAFER Program Guidance.
 This statement should also include specifics about the recruitment and/or retention

 community or communities.

- An explanation of the applicant's inability to address the need without Federal assistance.
- A statement relating to how the applicant will ensure, to the extent possible, that they will seek, recruit, and hire members of racial and ethnic minority groups and women to increase their ranks within their department.

Your narrative should be detailed but concise. Your narrative may **not** exceed **six** pages of text. Create the text in your word processing system and attach a printout to your application. If possible, provide a floppy disk with an electronic copy of your narrative. Images are **not** allowed.
