Please make corrections to name, address and ZIP Code, if necessary.

The information requested in this survey is needed to prepare the end of year report on acreage, production, and prices received for fresh market and dual purpose vegetables this year. Regardless of the size of your operation, your response is extremely important. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept **confidential** and used only for statistical purposes in combination with similar reports from other producers. Response is **voluntary**.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0037. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

INSTRUCTIONS:

- Report for **all** land operated, including land rented from others.
- Report for all seasons (winter, spring, summer, and fall) during **2012**.
- **Fresh Market Price** – Total dollars received or average price per unit sold should reflect an F.O.B. shipping point price, or equivalent, for all grades and qualities sold for fresh market. The F.O.B. shipping point is a point of first sale. Equivalent points of first sale include farm, roadside, farmer's market, grower auction, and U-pick sales. Sales at wholesale terminal markets must be adjusted for freight, brokerage, and commission charge paid by the grower.
- **Exclude** greenhouse production.
