This form is required to be completed by the operator of any midwater trawl vessel which has declared an intention to fish in Closed Area I pursuant to 50 CFR 648.80(d)(5) if fish are released before being brought aboard and sampled by an observer. Signature of this form certifies that the vessel operator attests that the information provided on this form is true, complete and correct to the best of their knowledge, and made in good faith (18 U.S.C. 1001). Making a false statement on this form is punishable by law.

Information obtained from the affidavit is held confidential as required by NOAA Administrative Order 216-100, Confidentiality of Fisheries Statistics, and would be used only in summarized form (without identifying the source of data, i.e., vessel name, owner, etc.) for management of the fishery in the future.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information. Send comments regarding this burden estimate or suggestions for reducing this burden estimate or any other aspect of this collection of information to NMFS, 55 Great Republic Drive, Gloucester, MA 01930.
