Overall Feedback Form: Workshop Content

2. The content of the workshop sessions was appropriate and informative.

○ Agree

○ Somewhat Agree

○ Neutral

○ Somewhat Disagree

○ Disagree

3. The amount of time allotted to specific research topics was appropriate.

○ Agree

○ Somewhat Agree

○ Neutral

○ Somewhat Disagree

○ Disagree

4. The workshop was successful in identifying opportunities in Chikungunya research.

○ Agree

○ Somewhat Agree

○ Neutral

○ Somewhat Disagree

○ Disagree

5. The workshop was successful in identifying gaps in knowledge in Chikungunya disease.

○ Agree

○ Somewhat Agree

5. The workshop was successful in identifying gaps in knowledge in Chikungunya disease.

○ Agree

○ Somewhat Agree

○ Neutral

○ Somewhat Disagree

○ Disagree

6. The workshop included appropriate scientific expertise and top experts from research disciplines.

○ Satisfied

○ Somewhat Satisfied

○ Neutral

○ Somewhat Dissatisfied

○ Dissatisfied

7. The workshop allowed for sufficient discussion of issues in research on Chikungunya disease.

○ Agree

○ Somewhat agree

○ Neutral

○ Somewhat disagree

○ Disagree

8. How satisfied are you that the workshop addressed key research issues in Chikungunya disease?

○ Satisfied

○ Somewhat Satisfied

○ Neutral

○ Somewhat Dissatisfied

○ Dissatisfied

9. What is the most important gap in knowledge identified and the most important opportunity or concept for research on Chikungunya proposed during the workshop?

○ Somewhat Satisfied

○ Neutral

○ Somewhat Dissatisfied

○ Dissatisfied

7. The workshop allowed for sufficient discussion of issues in research on Chikungunya disease.

○ Agree

○ Somewhat agree

○ Neutral

○ Somewhat disagree

○ Disagree

8. How satisfied are you that the workshop addressed key research issues in Chikungunya disease?

○ Satisfied

○ Somewhat Satisfied

○ Neutral

○ Somewhat Dissatisfied

○ Dissatisfied

9. What is the most important gap in knowledge identified and the most important opportunity or concept for research on Chikungunya proposed during the workshop?

10. What topics or issues related to Chikungunya were not identified or adequately addressed or discussed during the workshop?
