The information requested on this form is authorized by the Social Security Act, Sections 205(a), 163a(e)(1)(A) and (B), and 1631(f), and Title 20 CFR 404.707. The information provided will allow Social Security Administration to determine eligibility factors. This is in situations where obtaining photography of an original or certified document is not possible. You do not have to provide the information requested. However, the data you provide will allow the Social Security Administration to determine eligibility factors of the person who is applying for Social Security or SSI benefits. If you do not complete this form, that person may not be entitled to benefits. The information you furnish may be disclosed by SSA for the following purposes (1) to assist SSA in determining the right to Social Security benefits for the applicant or another person; (2) to facilitate statistical research and audit activities necessary to assure the integrity and improvement of programs administered by SSA, and (3) to comply with laws and regulations requiring the exchange of information between SSA and another agency.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal Government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security Office.

Furnishing us this information is voluntary. However, failing to provide all or part of the information could prevent us from making a timely decision on your application.

We rarely use the information you supply for any purpose other than for the reasons explained above. However, we may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;
