

Instructions for completing Form DEA 252
CSOS Principal Coordinator/Alternate Coordinator Certificate Application

Introduction:

Form DEA-252 is for individuals applying to fulfill the role of CSOS Principal Coordinator or Alternate Coordinator. The Coordinator Applicant may be any individual employed by the DEA Registrant's organization and may, but is not required to, sign controlled substance orders. Only one Principal Coordinator and one Alternate Coordinator may be enrolled for each DEA Registration number. ***If the Registrant is requesting to be a Coordinator, he or she should apply ONLY as a Registrant (Form DEA-251) and indicate him or herself as the Coordinator.***

Principal Coordinator

The Principal Coordinator is the primary CSOS contact with regards to CSOS Certificate applications, renewals, and revocations for the DEA Registration(s) identified on his/her application. The Registrant may fulfill the role of Coordinator him/herself, or may delegate the role to any other individual. Principal Coordinator must be identified for each DEA Registration participating in the Controlled Substance Ordering System.

Alternate Coordinator

Optionally, an organization may enroll an Alternate Coordinator. An Alternate Coordinator is the CSOS contact in the absence of the Principal Coordinator for the DEA Registration(s) identified on his/her application. Both the Principal Coordinator and Alternate Coordinator are authorized to revoke or renew any CSOS Certificate issued to an individual subscriber for the associated DEA Registration Number(s).

Both the Principal Coordinator and Alternate Coordinator fulfill the role of Local Registration Authority (LRA) for the DEA Registration(s) identified on his/her application. As LRA, the Coordinator is responsible for verifying the identity and applicability of all other individuals enrolling as CSOS Power of Attorneys for the associated DEA Registration Number(s).

Completing the application:

The information must be **TYPED electronically into the PDF form on-line** with the exception of signatures, affirmations and the notary acknowledgement sections, which must be completed in blue or black ink. **All fields must be completed.**

The DEA Registrant must approve the Coordinator Applicant in Section 4. The DEA Registrant is the individual who signed, or is authorized to sign, the latest application for DEA Registration.

The Coordinator Applicant should review the CSOS Coordinator Certificate Application Checklist to ensure all required documents are included with his/her application prior to mailing the application package to the CSOS Registration Authority.
