**Description of the Possible Safety Defect**  
Please mail copies of any correspondence, repair orders, invoices, marine surveys, photos or sketches that you feel could substantiate the existence of a safety defect. If the possible safety defect is in a component installed or modified by someone other than the boat manufacturer, please so indicate and give details. Mailing address:

Commandant (CG-54223)  
U.S. Coast Guard Headquarters  
2100 Second St. SW Stop 7581  
Washington, DC 20593-7581

**Defect Information (Why do you think the boat or component is defective? What part of the boat or component is defective?)**

Provide additional information that may be helpful to the Coast Guard in deciding whether or not this is a safety related defect:

**Other Comments**

**SUBMIT**

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The Coast Guard estimates that the average burden for this report form is 24 minutes. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: Commandant (CG-54223), U.S. Coast Guard Headquarters, 2100 Second St., SW, Stop 7581, Washington, DC 20593-7581; or, Office of Management and Budget, Paperwork Reduction Project (1625-0071), Washington, DC 20503
